

SATORI STUDIO INTERIOR DESIGN

BIURO@STUDIOSATORI.PL

	BASIC	CONCEPT	STANDARD	PREMIUM
Consultation: analysis of your space, utility and functional needs along with establishing design guidelines	✓	✓	✓	✓
Inventory: precise measurement of the designed space and existing installations, photo documentation	✓	✓	✓	✓
Functional design - 2D interior layouts (2 proposals to choose from, then joint analysis and execution of the final layout)	✓	✓	✓	✓
Lighting distribution plan	✓	✓	✓	✓
Electrical installation layout plan	✓	✓	✓	✓
Plumbing and central heating plan	✓	✓	✓	✓
Moodboard - stylistic design, colors, sample materials based on an interview and a design survey		✓	✓	✓
Designing three-dimensional interior and design consultations in 3D (the possibility of introducing changes to the design 3 times until the design is approved) via online meetings if needed		✓	✓	✓
Cost estimate and shopping list (carefully selected products, quantities of materials and proposed stores and prices)			✓	✓
Photorealistic visualization of interiors (number of shots determined individually)			✓	✓
Detailed designs, i.e. tile layouts; individual equipment designs: custom-made furniture, finishing and decorative details, etc.			✓	✓
Executive book - in physical form (printout of 2 items) and PDF			✓	✓
Designer supervision - support during the shopping and execution phase. Monitoring the course of finishing works. Coordination of individual phases of execution, proposals of proven, reliable subcontractors / distributors / sellers. Placing orders. Supervising the quality, compliance with the design and timeliness of the work performed. The number of visits to the investment is set individually.				✓
