Priming

Wall and ceiling painting

Wallpapering

Corner bead montage

Acrylating

Foil protection

Dry plaster (plasterboard)

Suspended ceiling installation

Suspended ceiling installation (multi-level)

Plasterboards partition walls assembly

Plasterboards cover installation for pipes and cables

Building atypical walls of rectilinear outlines

Building atypical walls of hatch elements

Plasterboard installation on glue

Two-sided wall installation

Attic insulation: wool + foil + plasterboard on a frame

Broke ceiling (tbc.)

Wall insulation

Ceiling insulation

Curtain rod groove

Bricklaying, doors, floor screeds

Interior doors installation

External doors installation

Door handles installation

Internal window sills installation

Bricklaying with clinker bricks

Bricklaying (Bricks, Ytong, Porotherm)

Self-leveling screeds

Traditional screeds

Floors

Floor panels installation

Skirting boards installation

Joist arrangement

Mounting the floorboards

Floorboards on joists arrangement

Inspection door mountage

Treshold strip mountage

Sanitary "white-ware"

Steel structure "Geberit" + plasterboards cover installation

Washbasin installation

Washbasin faucet installation

Shower cubicle installation

Bathtub installation

Bidet installation

Urinal installation

Toilet bowl (with seat) installation

Heater installation

Bathtub casing

Concealed faucet installation

Shower set installation

Bathroom accessories installation (handles, hangers, dryers etc.)

Hydraulika

Full water point installation (hot and cold water + drain)

Sewer point

Displacement of full water point

Water supply displacement

Sewer displacement (drain)

Displacement of radiator with montage

Old plumbing point removal

Valves installation

Furrows forging and filling

Holes making

Electricity

New electrical point

New electrical point with a staircase / cross switch

Displacement of electrical point

Old electrical points removal

Sockets and switch installation

Lighting installation

Heating mat (floor heating installation)

Forging sloop and putty

Stoneware and tiles

Stoneware and tiles

Mosaic

Stairs tailing

Skirting board installation

Clinker tiles

Forging the tiles/stoneware

Leveling the surface under the tiles

Tiled shelf

Holes cutting in tiles

Tile edge cutting

Waterproofing

Siliconing

Grouting

Disassembly

Old interior doors disassembly

Old exterior doors disassembly

Floor disassembly

Furniture disassembly (tbc.)

Brick wall demolition (up to 20 cm)

Floor chopping
