**Shareholders of the Company and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**

The Board wishes to inform the Shareholders and potential investors of the Company that, based on the preliminary review of the Group’s latest unaudited consolidated management accounts for the year ended 31 December 2025 and information currently available to the Board, the Group is expected to record a loss attributable to equity shareholders of the Company of approximately HK\$79 million, as compared to a loss

of HK\$43 million recorded by the Group in 2024. US tariffs and policy uncertainty leading to increased landed costs and abrupt logistics interruptions, prompting hesitation of overseas customers in placing orders. We prioritized customer service excellence, committing resources to maintain high standards of delivery and support, irrespective of short-term cost implications. This customer-centric approach, while reinforcing long-term relationships and market positioning, contributed to the decline in gross margins throughout a prolonged period of interruptions.

The Company is in the process of finalizing the Group's consolidated financial results for the year ended 31 December 2025 (the "**Final Results**"). The information contained in this announcement is solely based on the Board's preliminary review and assessment of the latest unaudited consolidated management accounts of the Group, which have not been audited, reviewed or confirmed by the Company's auditors or the audit committee of the Company and may be subject to amendments and adjustments. The Final Results and other details of the Group are expected to be published before end of March 2026.

**Shareholders of the Company and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
