FALL 2026

FALL BRINGS BEAUTIFUL DAYS — AND A FEW HIDDEN RISKS

As the season changes, watch for these common fall hazards that can be harmful to pets.

WILD MUSHROOMS

Can be toxic to pets.

ACORNS

May cause stomach upset or blockages.

MOLDY FOOD & COMPOST

Can contain harmful toxins.

RODENTICIDES

Can be deadly. Keep all products secure.

GRAPES & RAISINS

Toxic to pets, even in small amounts.

XYLITOL

Found in sugar-free gum, candy, and some baked goods. Can be life-threatening.

TICKS DON'T TAKE THE FALL OFF

Ticks can stay active in Ohio during the fall — and even on warmer winter days.

KEEP
PROTECTION
GOING
YEAR-ROUND.

- ✓ Keep flea & tick prevention current.
- ✓ Check your pet after time outdoors.
- ✓ Remove ticks promptly and safely.

HALLOWEEN WITHOUT THE SCARE

- Keep candy (especially chocolate and xylitol) out of reach.
- Keep pets indoors during trick-or-treat hours.
- Make sure ID tags and microchip information are up to date.

DID YOU KNOW?

Some wild mushrooms can be **seriously toxic to pets** — and it can be difficult to identify a mushroom safely by appearance alone.

If your pet eats a mushroom, take a photo if you can and call us right away.

IF YOUR PET EATS SOMETHING THEY SHOULDN'T...

Call us right away. Early treatment can make a big difference.

Tell us what they ate (and how much).

Don't wait for symptoms.

Watch for changes.

When in doubt, call us.

5 THINGS TO DO THIS FALL

- ✓ Keep preventives current
- ✓ Keep hazardous items out of reach
- ✓ Check your yard and outdoor spaces
- ✓ Secure Halloween candy
- ✓ Update ID and microchip information
