

Getting started with Digital Pre-Assessment

www.mysunrise.co.uk

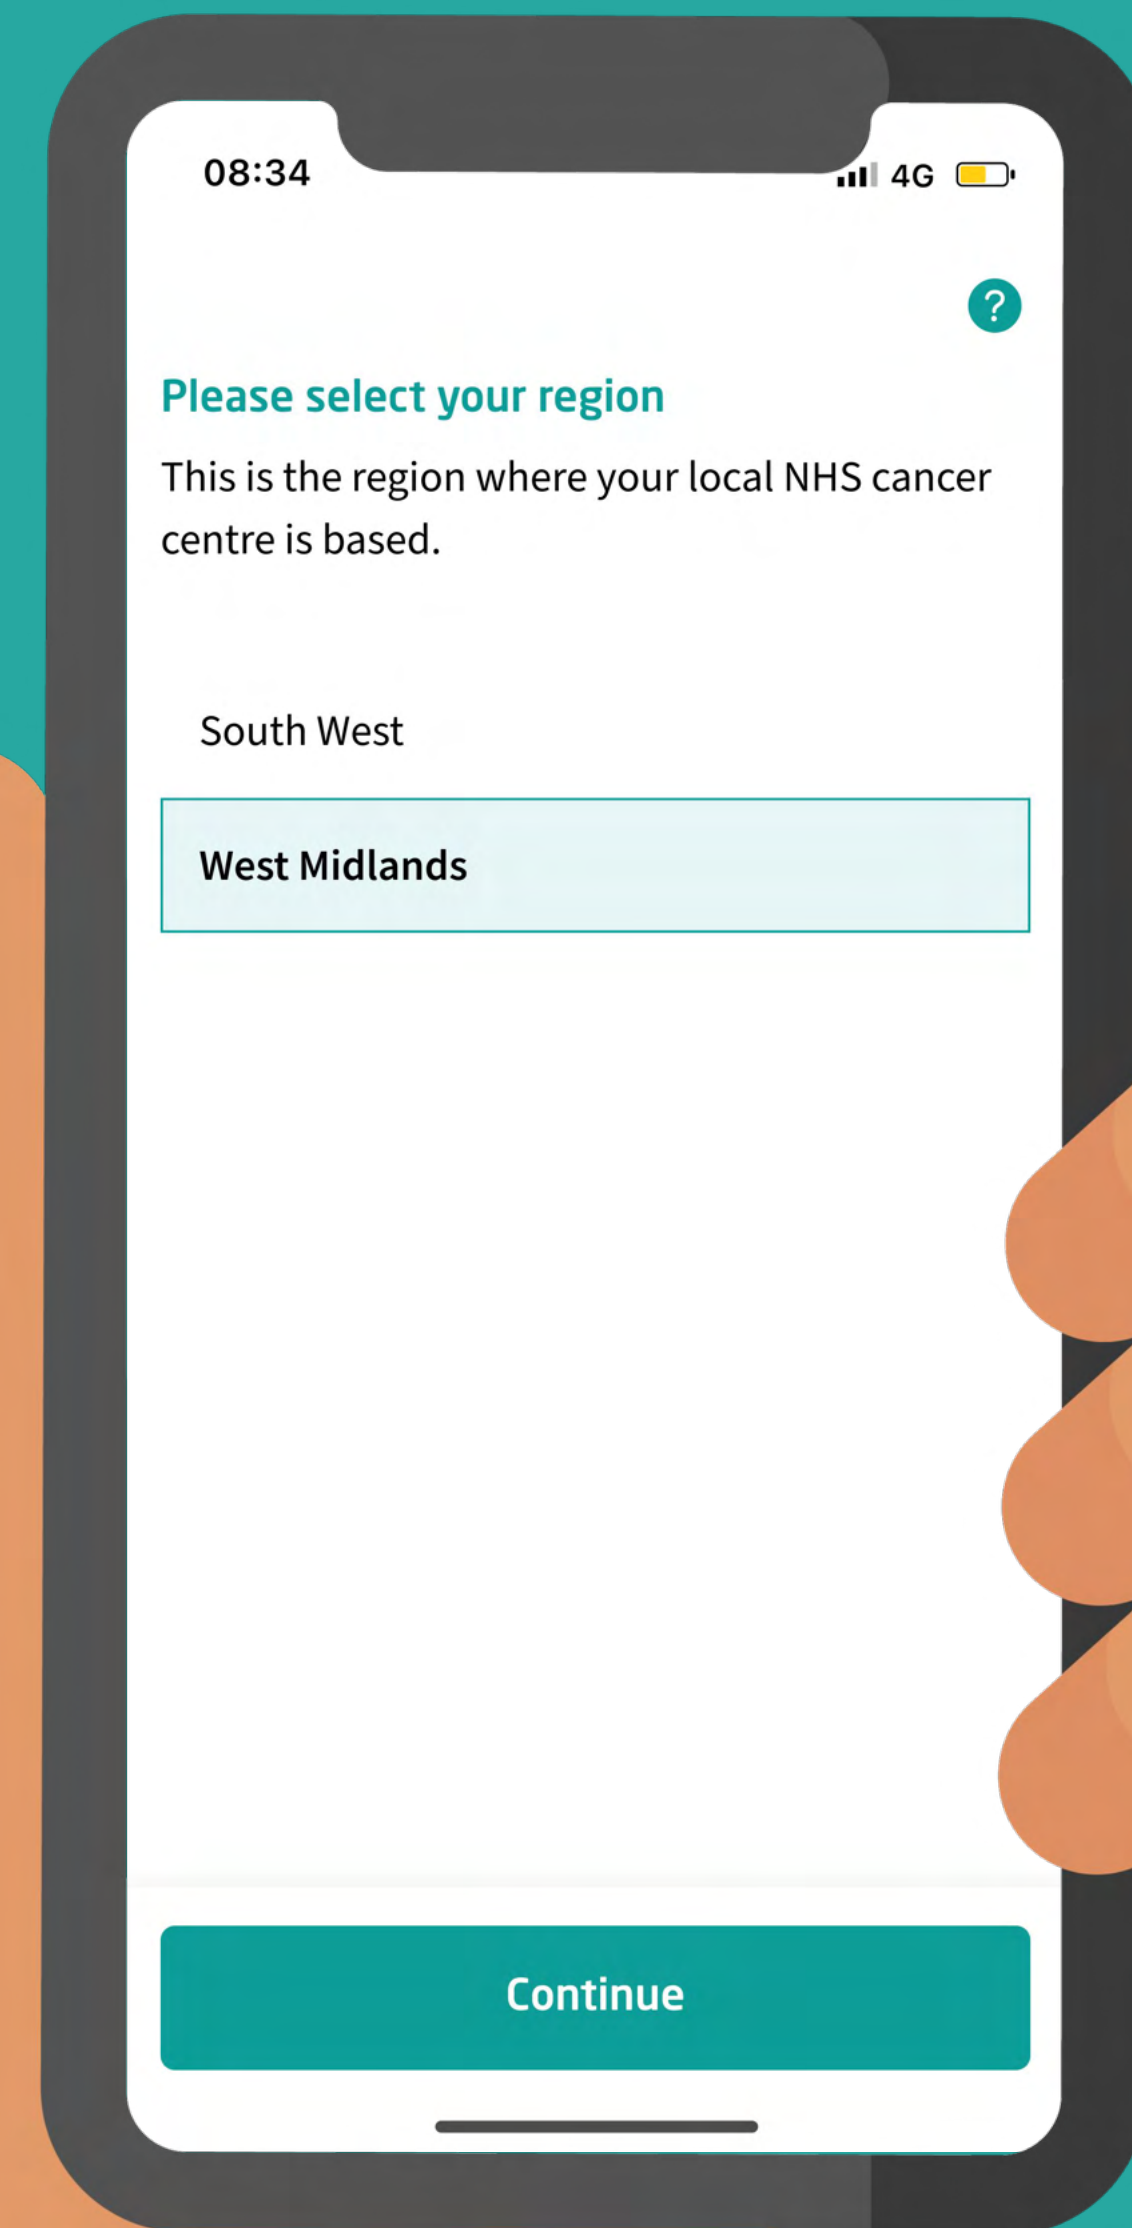

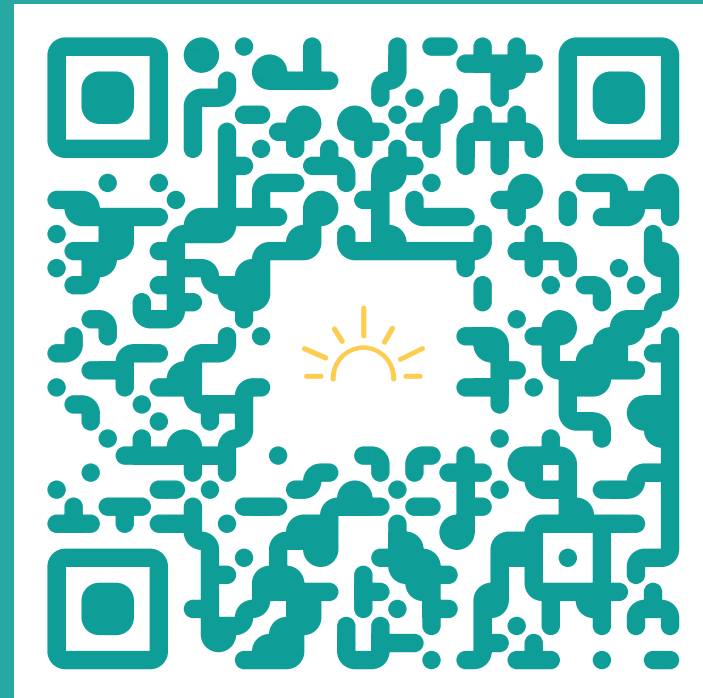

Download the app

MySunrise is free to download for Apple or Android smartphones.

Scan this QR code with your device or go to www.mysunrise.co.uk/download

Open the app and choose your region and local cancer centre in order to get bespoke content for your NHS trust.

www.mysunrise.co.uk

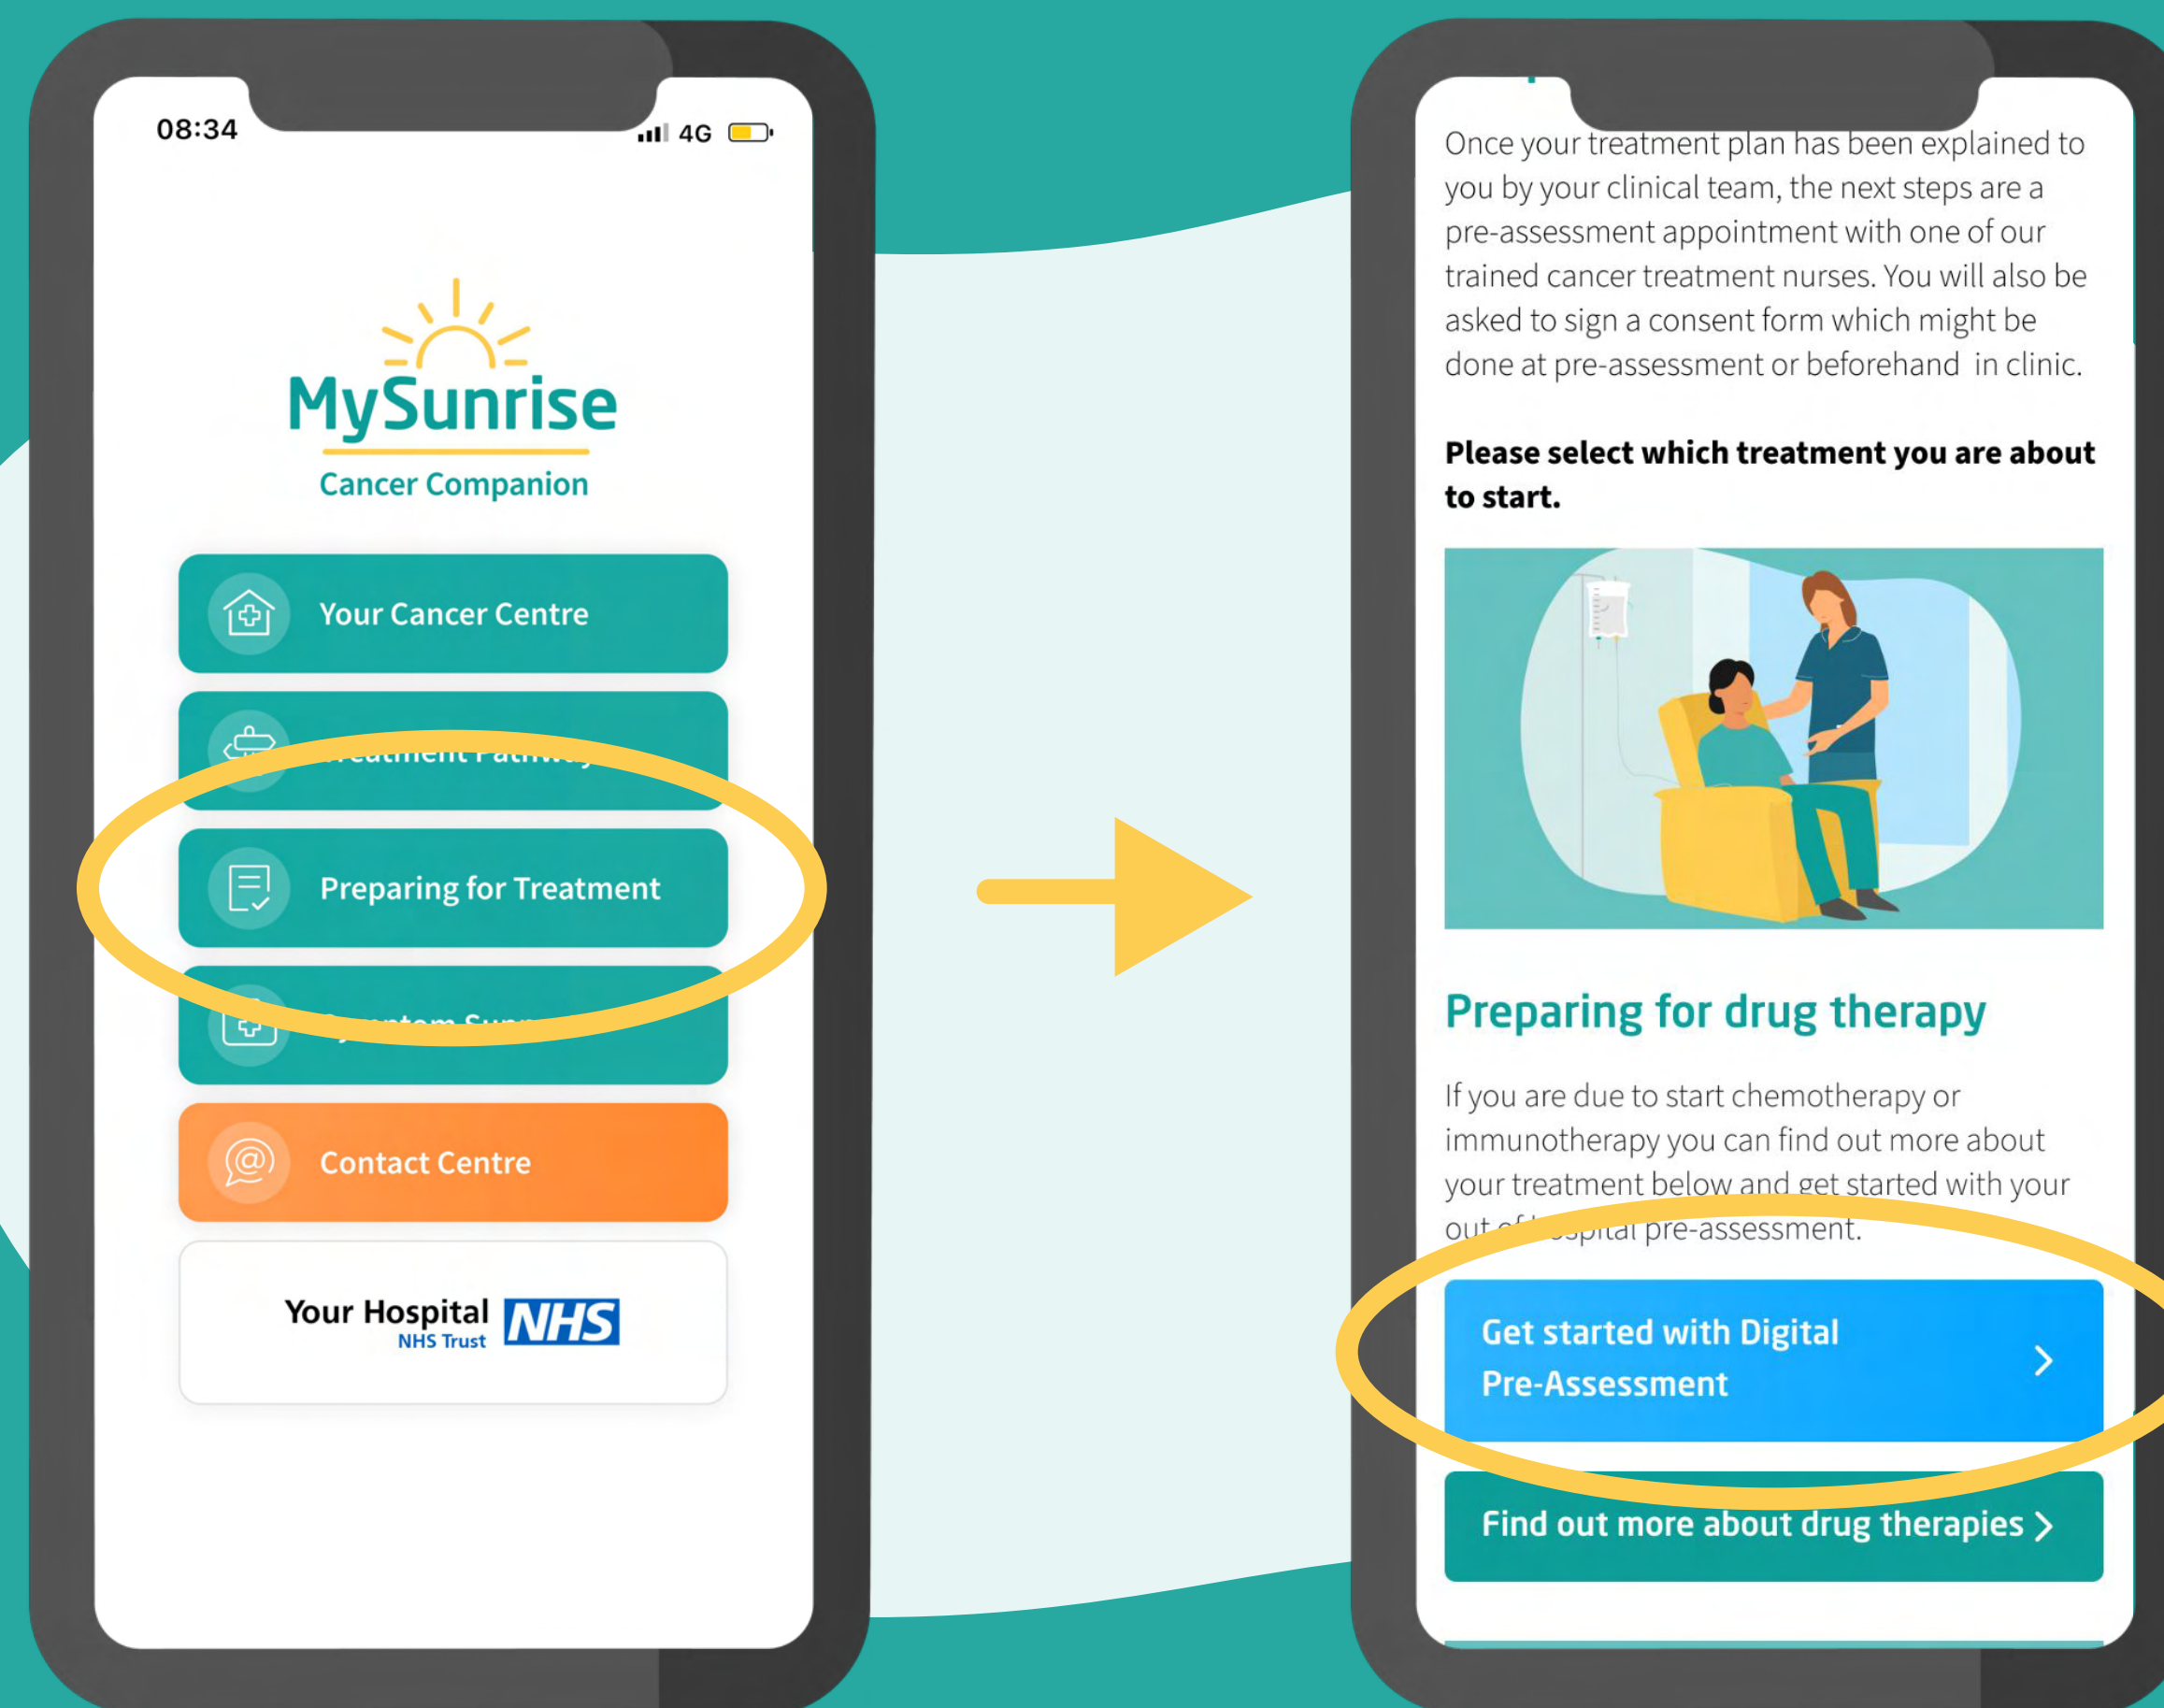

Choosing your Digital Pre-Assessment

Select preparing for treatment on the home screen of the app.

Then select 'Get Started with Digital Pre-Assessment' to access the digital checklists

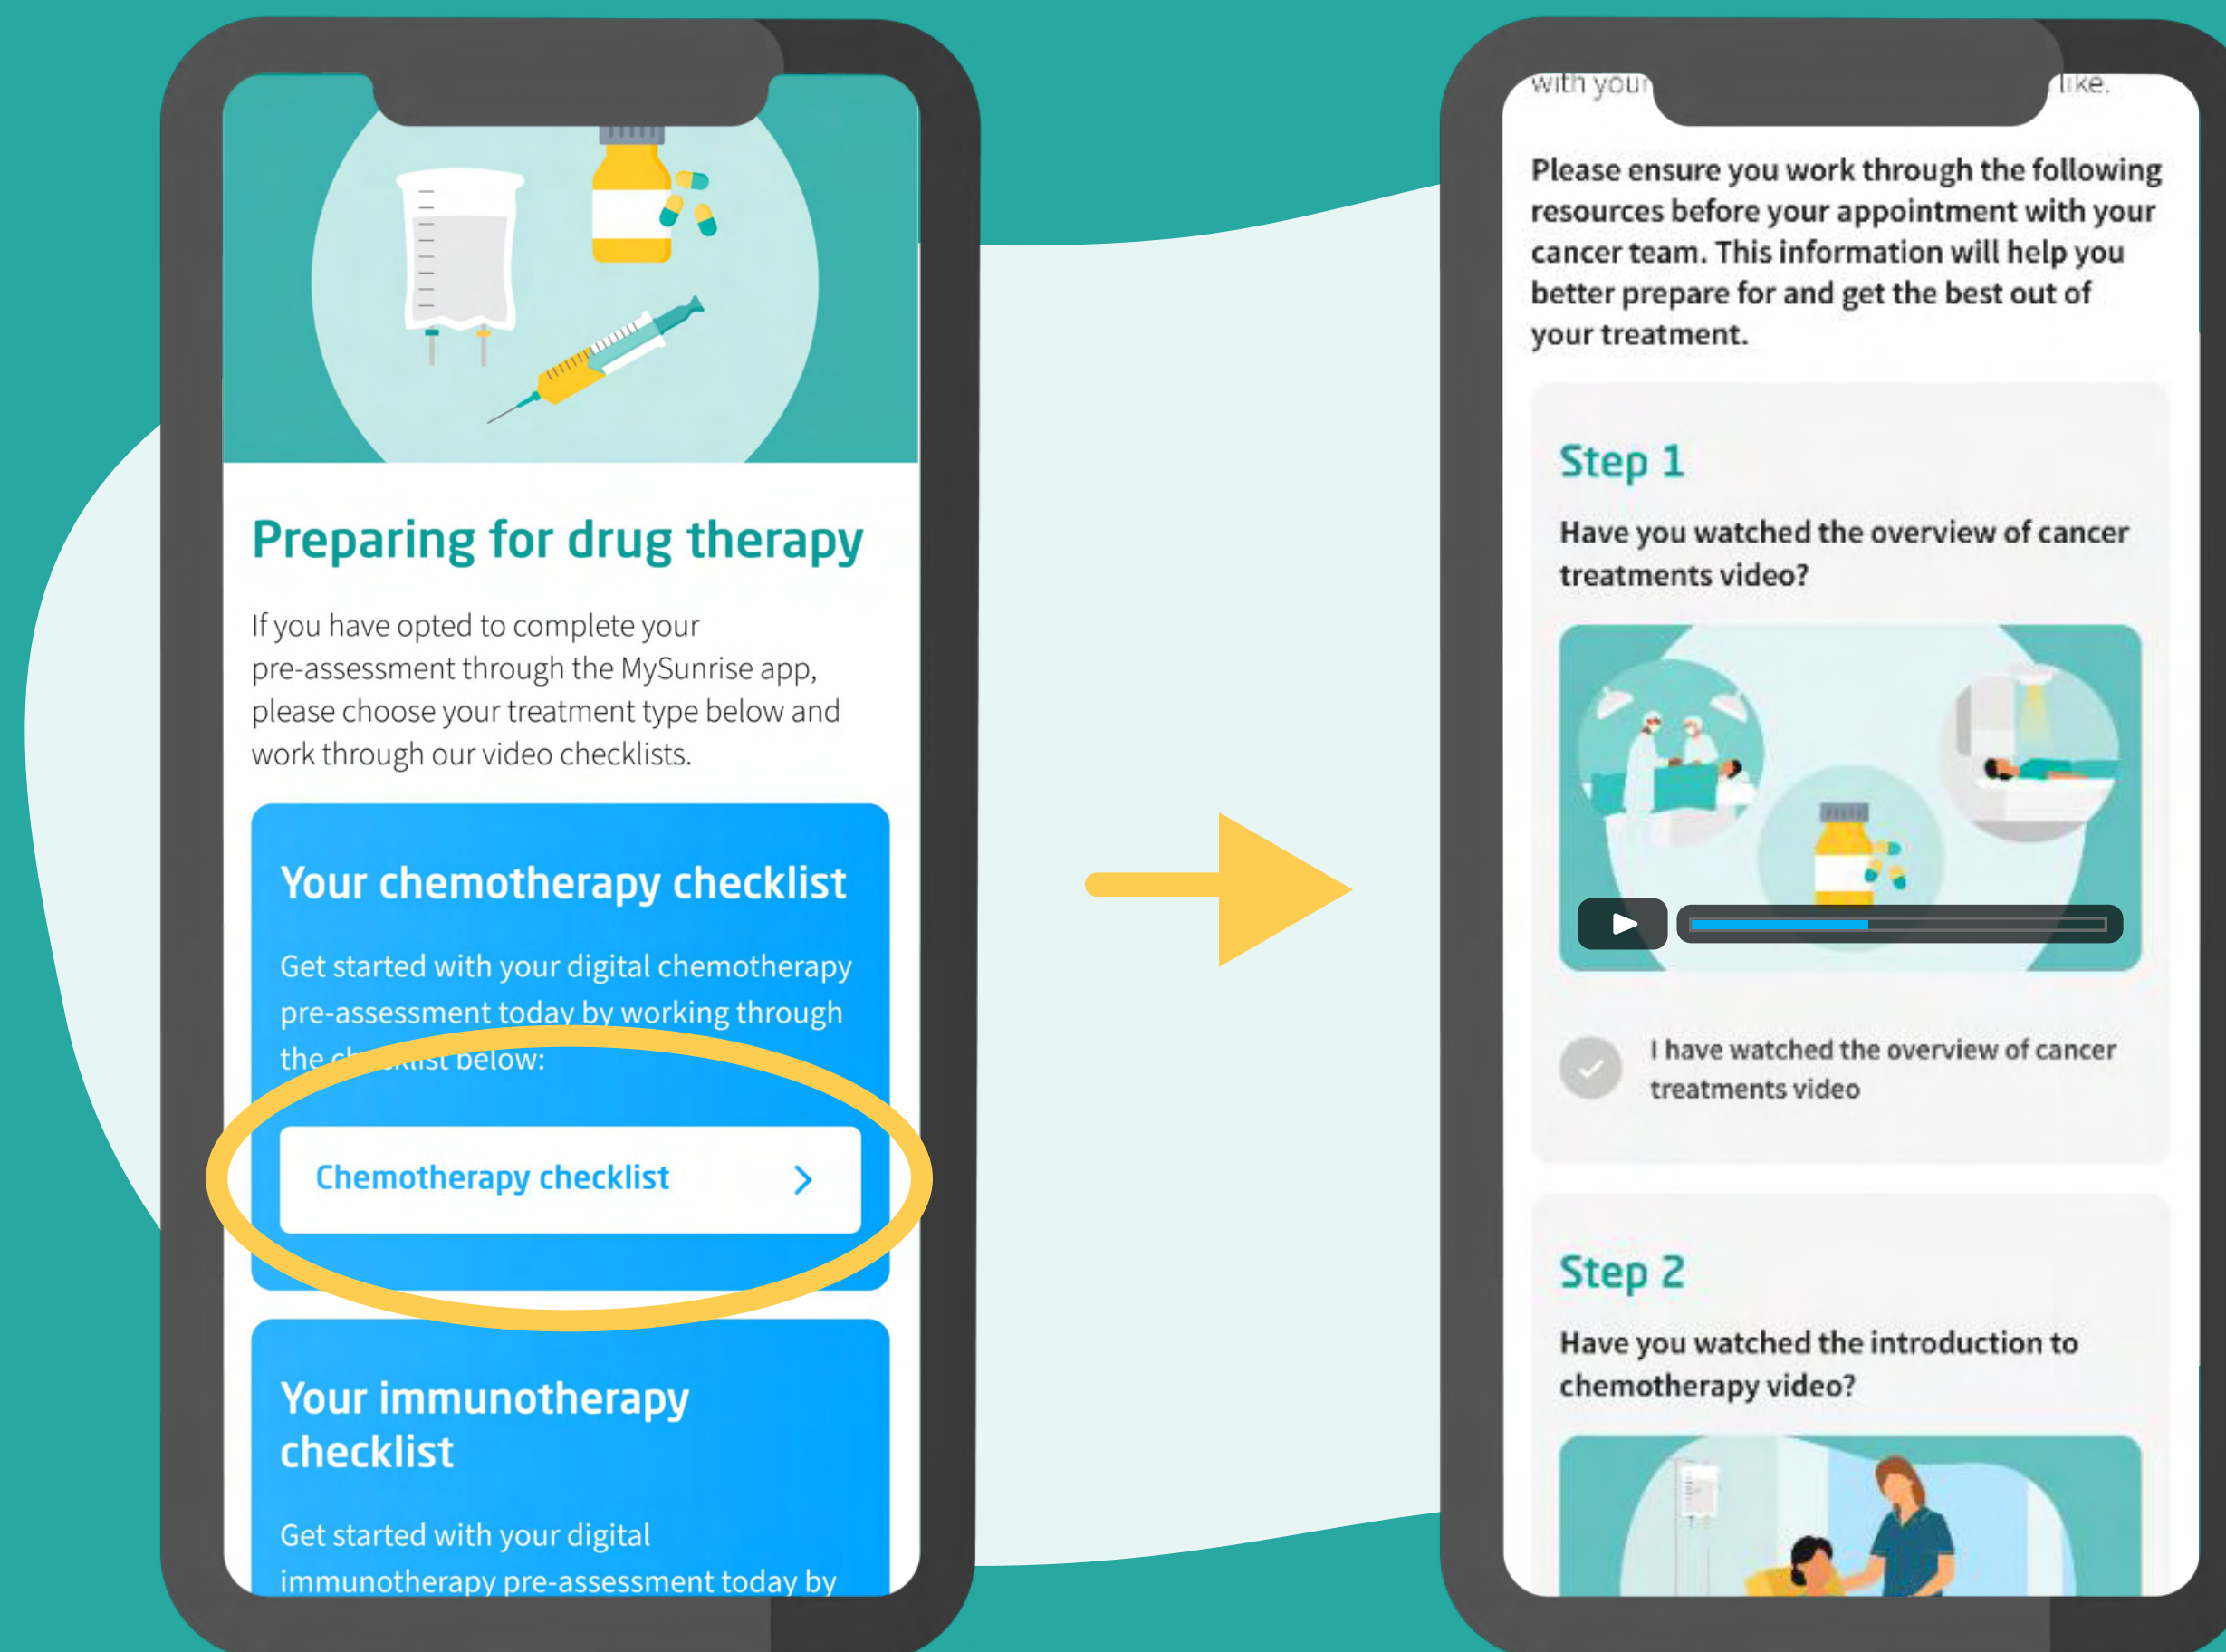

Completing the digital check list

Patients choose the treatment type (Chemotherapy or Immunotherapy)

Watch the videos which will introduce you to the local cancer centre and explain treatment.

Tap the tick button to mark as completed

www.mysunrise.co.uk

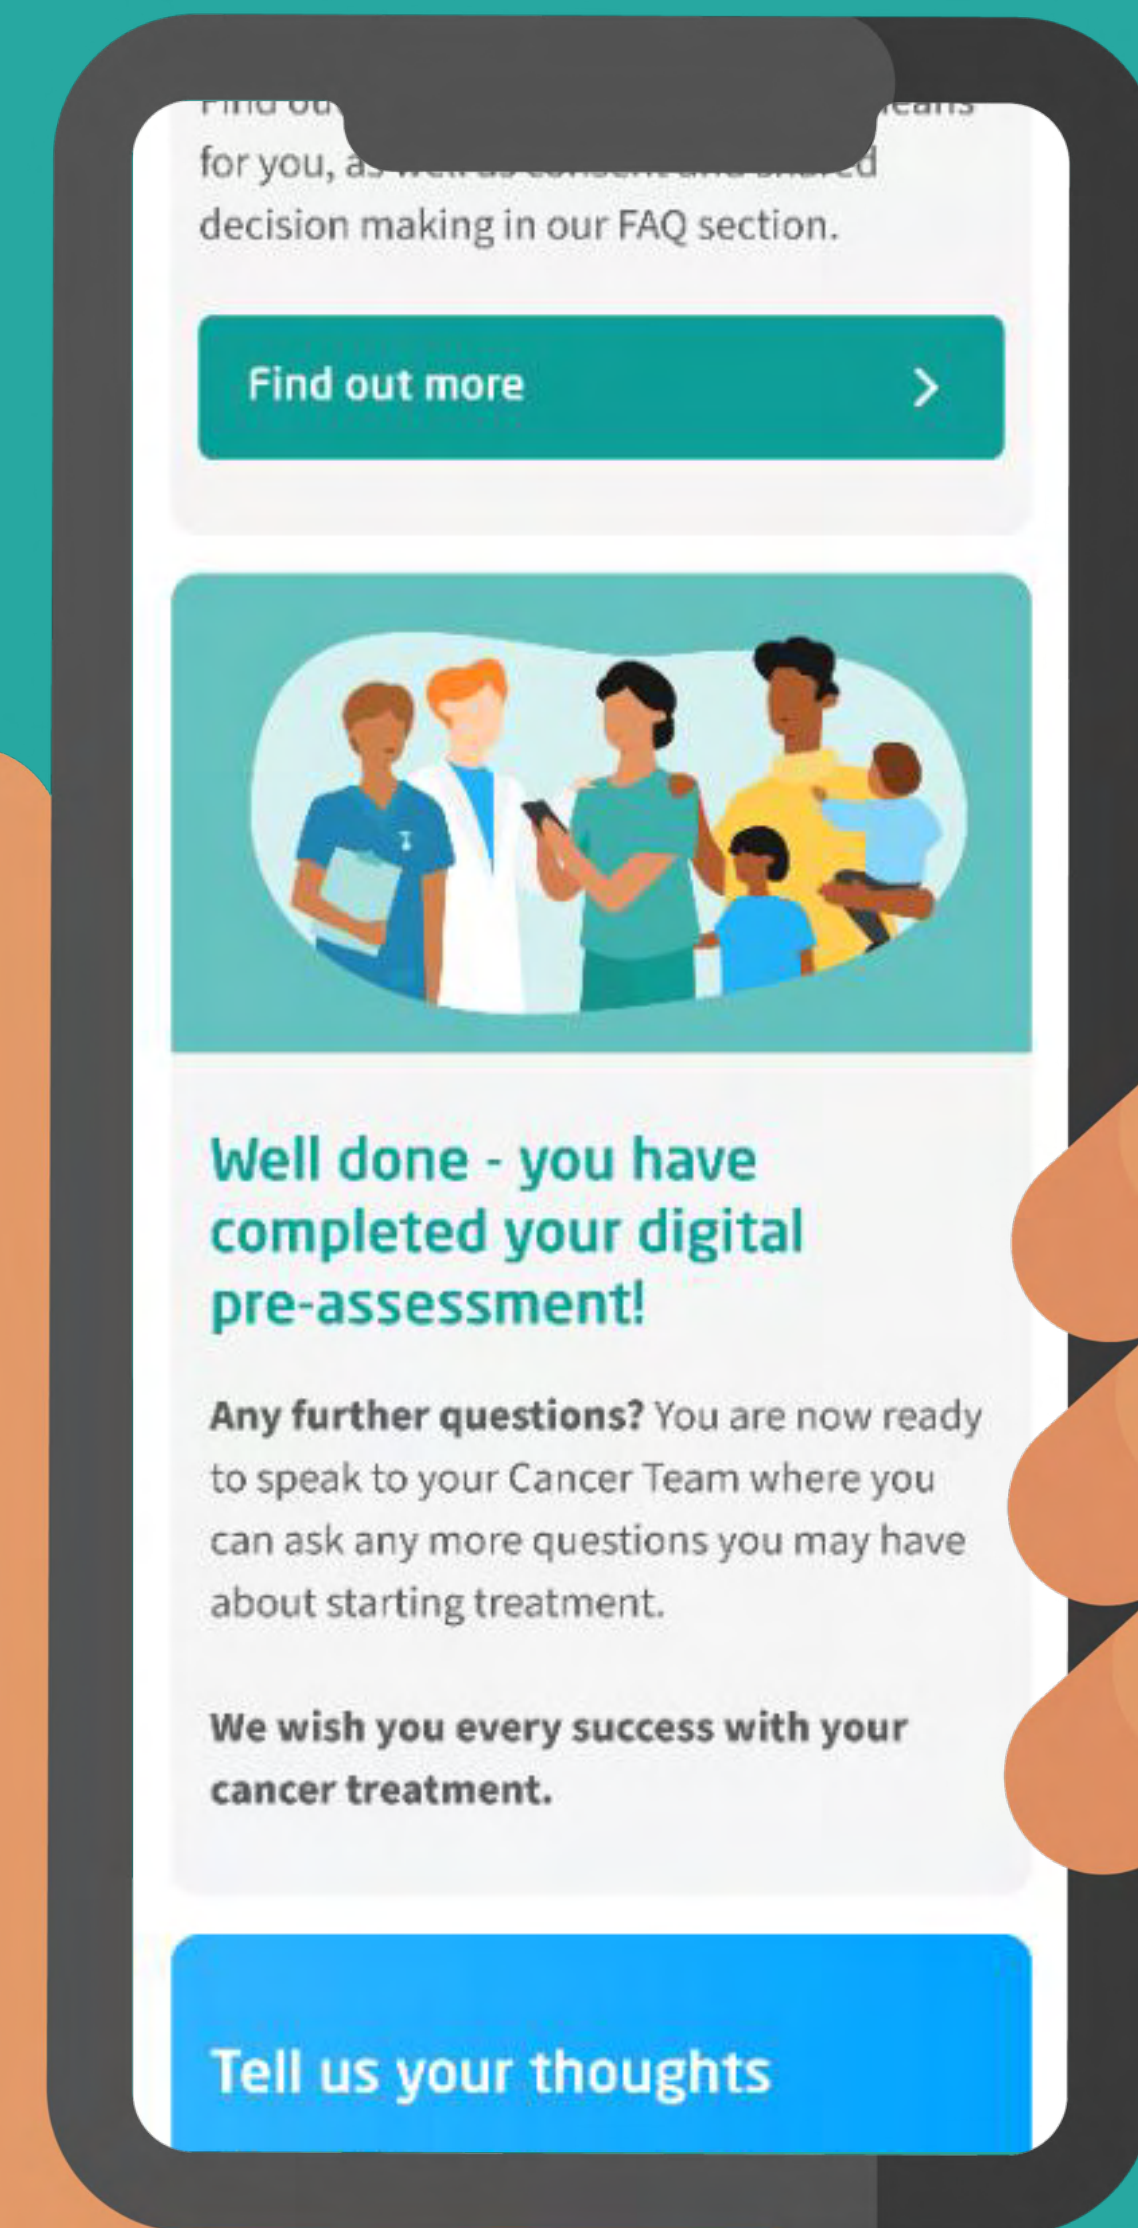

Digital Pre-Assessment is complete

Once the patient has completed the checklist they will be ready for their first appointment with the cancer team.

If available they can follow a link to a digital first appointment.

Technical problems

- 1 If you are having technical problems with the app, try uninstalling and then reinstall the app.
- 2 If this does not solve the issue, then go to the MySunrise app support page at www.mysunrise.co.uk/support
- 3 If that still does not solve the issue please contact info@mysunrise.co.uk

www.mysunrise.co.uk
