

## NOTICE OF APPLICATION SUBMISSION FOR A BULK GENERATION LICENCE

Pursuant to Section 21(1) of the Electricity Act 2016, an application has been made to the Regulatory Authority to obtain a Bulk Generation Licence. A Bulk Generation Licence authorises the licence holder to engage in the bulk generation of electricity in Bermuda.

### NAME OF APPLICANT

IntegroGen Finger Ltd.

### ADDRESS OF THE PROPOSED BULK GENERATION PLANT

IntegroGen Finger Ltd.  
Burnaby Building  
16 Burnaby Street,  
Hamilton, HM 11 Bermuda

### DESCRIPTION OF BULK GENERATION APPLICATION

The applicant proposes to acquire the solar facility at the LF Wade International Airport which is a 7.984MWdc (6MWac) facility powered entirely by solar energy technology.

This application is available for inspection at the Regulatory Authority's office (by appointment) or on the Authority's website ([www.ra.bm](http://www.ra.bm)). Any person or entity wishing to comment on the proposed bulk generation development may do so within 12 business days of the date of this publication. Comments can be delivered by email to [consultation@ra.bm](mailto:consultation@ra.bm), by hand or post to the Authority's office at Regulatory Authority, 1st Floor, Craig Appin House, 8 Wesley Street, Hamilton, HM11

All comments must state the name and address of the submitter.
