Move-In/Move-Out Special

Moving is stressful. Making your house feel like a home shouldn't be.

Whether you're preparing your home for a top-dollar sale or settling into a new space, painting is one of the highest-impact projects you can do. But the thought of finding a reliable painter, coordinating schedules, and choosing colors during a move can feel overwhelming.

You deserve a smooth transition and a space that feels perfect from day one.

A Note for Our Realtor Partners: Ask us about our Priority Scheduling and Referral Rewards Program designed to help you close faster!

We're Craftsman Painter, and We Make It Easy.

For years, we've helped homeowners moving to and from the midwest navigate the chaos of moving with a seamless, professional painting experience. We understand the tight deadlines and the need for clear communication. We act as your expert guide, handling every detail so you can focus on your move.

You Can Trust Our:

Expert Communication: We keep you, and your agent, informed every step of the way.

Unmatched Quality: Our collective of in-house and vetted independent painters delivers flawless results.

Color Expertise: Our free color consultations help you choose the perfect palette to sell your home faster or fall in love with your new one.

Your Simple Path to a Perfect Paint Job:

We've designed our process for your convenience, especially when you're busy or even out of town.

Step 1: Get a Ballpark Estimate in Minutes.

Simply give us the address. We can provide a reliable preliminary estimate without ever stepping foot inside, perfect for initial budgeting.

Step 2: Schedule a Quick Virtual Walkthrough.

Using your smartphone, we'll conduct a 20-minute video call to see the space, confirm details, and provide a precise, detailed quote. No need to scramble around getting tidy or put away pets!

Step 3: Relax While We Transform Your Home.

Our professional crew handles everything. With priority scheduling for realtor referrals, we work efficiently to meet your closing date or move-in timeline.

Did you know? Painting has a 107% ROI!

About

Torlando Hakes and Myles Stephney are brothers and co-founders of Craftsman Painter, serving the Bloomington and Indianapolis areas for over 20 years. They specialize in residential painting and color design. Torlando, a graduate of

What Our Clients Say:

"I just had a phenomenal experience using Craftsman Painter Collective for interior color consultation and painting. Myles worked meticulously on prepping and painting four rooms and an entryway, using various colors in the process. My family who have seen the work as well note how impeccable is the quality. They will be using the services of Craftsman Painter Collective in the future, and so will I! Thank you, Myles and Torlando."
