SONNING FLOWERS

ABOUT

The Wed Shed, renowned for its wide range of wedding hire items, has joined forces with Sonning Flowers.

Sonning Flowers are a multi award winning business and are known for their stunning floral arrangements.

This collaboration offers the convenience of booking both fresh and faux flowers alongside an array of stylish decor pieces, all under one roof. From fresh floral table decor to bouquets, the process is as simple as it is exciting. Begin by selecting your colour palette from their carefully curated options, then choose the items you'd love to feature on your special day.

The talented team at Sonning Flowers will then craft your chosen items with their creativity. These florals will be delivered to The Wed Shed, where our stylists will integrate them seamlessly into your wedding decor.

We have highlighted a few of their offerings throughout this brochure, and their complete brochure will be available for you to explore during our one-on-one consultations.

BEHIND THE BRAND

OUR HUMBLE BEGINNING

Hello, my name is Evie, and I am the Owner and Head Stylist of The Wed Shed Events. With over 18 years of experience in the wedding industry and a background in the field, I have a wealth of knowledge and inspiration to contribute, while incorporating your own ideas for your dream day.

In 2019, I noticed some common obstacles that couples faced when it came to decorating their wedding venues. One challenge was the lack of access to the venue for setup. Many couples had to rely on friends, family, or even themselves to arrive early on the wedding day to prepare the venue.

Additionally, taking down decorations at the end of the evening was an undesirable task for couples, who would rather enjoy the end of their wedding night.

Lastly, there was the issue of cost. Buying items that would only be used for one day seemed like a waste and not environmentally friendly.

To address these concerns, I created The Wed Shed. I had a shed constructed on-site at The Old Mill and filled it with an extensive collection of decorations available for hire. By opting to hire from The Wed Shed, you not only save time and money but also alleviate the biggest stress of setting up and taking down your wedding décor.

DECOR HIRE ONLY

ENJOY A **15% DISCOUNT** ON ALL PRICES LISTED IN THIS BROCHURE.

Discover our fantastic brochure and choose the items you want to hire!

By opting for this selection, you will receive a 15% discount on all items since a stylist consultation is not required.

Keep in mind that this option does not come with a one-on-one consultation with our stylists.

However, you can arrange a phone call at any time to discuss your hire items.

Simply complete an order form for the items you wish to hire, and we will check their availability.

A 50% payment is required to confirm booking of these items.

A call will be scheduled 4 weeks before your wedding with The Wed Shed to go over item locations at your venue.

A romantic wedding ceremony setup. A large, lush floral arch hangs from the ceiling, framing a glass-paned doorway. Two tall, cylindrical pillars of flowers stand on either side of the doorway. The floor is paved with grey stone tiles. In the foreground, several white candles are lit on the floor, and wooden chairs are visible on the sides. The word "CEREMONY" is written in white, serif, all-caps font across the center of the image.

THE OLD MILL

Family Run Since 1939

Nestled in the stunning landscapes of Royal Berkshire, The Old Mill has emerged as one of the premier wedding destinations in the UK.

This enchanting venue is particularly significant as it served as the launchpad for The Wed Shed in 2019, becoming our beloved home base.

not only that, i was born here 33 years ago, following in the footsteps of my remarkable parents, who managed the venue until their retirement in 2020.

The responsibility has now been entrusted to me and my three siblings—Edward, Jack and Nadia—to uphold the 90-year legacy of the Arlott family at The Old Mill.

Having grown up in this environment, we are intimately familiar with every aspect of the Old Mill—no one knows this venue better than the four of us!

In the following pages, you will find items specifically tailored for The Old Mill.
