THE WED SHED

Event STYLING

Established in 2019, The Wed Shed is an award-winning, specialist service offering bespoke venue styling and accessory hire. Our focus lies in providing top-quality wedding décor and styling services throughout Berkshire and the surrounding areas.

We offer a wide range of on-trend decorations and accessories, and work closely with you to create a perfectly coordinated look that suits your vision and budget. Our team handles the complete setup at your venue, relieving you of the morning stress on your special day.

In perfect harmony with our styling services, we also work hand-in-hand with our sister company Hire & Bloom, who specialise in exquisite faux-floral arrangements.

Hire & Bloom's work integrates seamlessly with our décor styling.

On the day of your event, our styling team manages all décor including those floral pieces, giving you a unified, stress-free experience, all under one roof.

Together, The Wed Shed and Hire & Bloom bring you a complete wedding aesthetic: from beautifully coordinated décor and accessories through to elegant, maintenance-free floral arrangements, all handled by us on the day so you can focus on celebrating.

OUR HUMBLE BEGINNING

Hello, I'm Evie, Owner and Head Stylist at The Wed Shed Events. With over 18 years' experience in the wedding industry, I love helping couples bring their ideas to life and create a day that feels uniquely theirs.

I founded The Wed Shed in 2019 after noticing how many couples struggled with venue setup, late-night pack down, and the expense of buying décor for just one day.

To solve this, I created a hire service filled with beautiful décor pieces, all stored on-site at The Old Mill.

By hiring from The Wed Shed, you save time, avoid unnecessary purchases, and enjoy a stress-free setup and take-down, so you can simply enjoy your wedding day.

OUR SERVICES

BESPOKE STYLING SERVICE

If you have a specific colour scheme or custom venue styling in mind, we can bring your vision to life.

From wedding signage to tableware, we will collaborate with you on a personal level to design a look that will truly impress you and your guests.

Please note that there is a minimum spend of £500 for this option (excluding weddings held at The Old Mill).

Delivery and pickup fees apply depending on your location.

A romantic ceremony styling scene set in a room with large windows overlooking a body of water. A lush floral arch hangs from the ceiling, framing the space. Two tall, cylindrical floral pillars stand on either side of the entrance. The floor is paved with stone tiles, and several white candles are placed on the floor. Wooden chairs are visible in the foreground.

IMPORTANT 2026 UPDATE

IMPORTANT UPDATE ON FAUX FLORALS

Please note that starting in 2026, The Wed Shed will no longer provide faux-floral displays. All faux-floral offerings will now be handled by our sister company, Hire & Bloom.

Make sure you download their brochure for the full range of offerings.

During your consultation, we will review the options available from Hire & Bloom and seamlessly incorporate them into your styling.

If you have previously been quoted to include our faux florals, please don't panic: these items have been reserved for your wedding and will remain on your current quote.

This change applies to new quotes/bookings only.

THE OLD MILL

VENUE SPECIFIC STYLING

In the following pages, you will find items specifically tailored for The Old Mill.

Family Run Since 1939

Nestled in the stunning landscapes of Royal Berkshire, The Old Mill has emerged as one of the premier wedding destinations in the UK.

This enchanting venue is particularly significant as it served as the launchpad for The Wed Shed in 2019, becoming our beloved home base.

Not only that, I was born here 33 years ago, following in the footsteps of my remarkable parents, who managed the venue until their retirement in 2020.

The responsibility has now been entrusted to me and my three siblings, Edward, Jack and Nadia to uphold the 90-year legacy of the Arlott family at The Old Mill.

Having grown up in this environment, we are intimately familiar with every aspect of The Old Mill - no one knows this venue better than the four of us!
