China's Next Miracle Tour

2026 | Beijing & Shanghai

About this tour

This unique tour offers an in-depth look at China's evolution. This tour has its focus to explore the latest and greatest of technological innovations China has to offer.

What will you get out of it?

The short version: you'll see China like never before, learn from companies that are defining the trend under the guidance of China expert (Pascal Coppens).

★ We'll converse with the leaders of companies driving global innovation. Consider Xiaomi, Bytedance, Baidu, and more. These are essential conversations that reveal what's on the horizon.

★ The guidance of expert Pascal Coppens is crucial. He will interpret our observations, translating them into relevant takeaways for today and tomorrow.

★ By blending the networks we gain unparalleled access to companies and leaders.

Pascal Coppens

Pascal is a sinologist, entrepreneur, author, speaker & partner at nexxworks. He lived in China and San Francisco for 20 years where he first worked for MNCs and later on founded and ran multiple software companies in both Silicon Valley and Shanghai.

Pascal Coppens offers deep insights into China's business, innovation, and societal landscape, drawing from 20 years of experience in the country and frequent visits each year.

He serves as a trusted advisor to boards and management teams, helping organizations navigate China's dynamic market.

He writes extensively about Chinese innovation and society, providing a nuanced perspective on the country's evolving business environment.

He frequently shares the latest China developments and expert analysis on the country's global impact.

Why Beijing and Shanghai?

Shanghai and Beijing, the tech powerhouses of China, are where the magic of innovation happens.

Shanghai

Shanghai, a city where East meets West, is a bustling metropolis that's home to cutting-edge research and groundbreaking startups.

Notable companies like Ctrip and NIO have their bases here, making it a global leader in tech innovation.

Beijing

Beijing, the political heart of China, doubles as a technological titan.

It's where the country's most prestigious universities and top tech companies converge (most unicorns in one city), such as Baidu, Xiaomi, and ByteDance, ...

About nexxworks

Nexxworks' mission is to inspire and connect global organizations and innovators. We believe companies and leaders should spend at least 10% of their time today on their "Day After Tomorrow", on their future in the long term, to be able to stay ahead of the curve and keep on creating value.

By bringing the right stories, inspiration, and interactions we guide our customers to find direction, create enthusiasm, and kickstart action and mindset for their Day After Tomorrow.

We do so by organizing open and tailor-made innovation programs for C-level executives all over the world, from Singapore and Silicon Valley to Berlin.

We are experts in executive program design and curate relevant content (places, people, cases, formats) to create an inspiring learning experience. Our aim is to create opportunities for participants to directly engage with speakers and create an intimate environment and safe forum to explore burning questions.

Nexxworks is co-founded by Steven Van Belleghem & Peter Hinssen, both international keynote speakers.

Why join a nexxworks program?

- ✓ **Unmatched program curation**
You'll feel like a fly on the wall in the offices of the most successful companies, sitting at the table with startup founders, all while guided by our moderators.
- ✓ **Everything taken care of**
As soon as you arrive at the location we take care of it all. No worries about food, travel, or entertainment. Just focus on soaking up the amazing content.
- ✓ **Incredible community**
The community you'll be joining consists of the BeNeLux's (and beyond) brightest minds. You'll be amazed at the connections and relationships you'll build.
- ✓ **Been there, done that**
We've been curating and managing tours like this for over 10 years with +40 under our belt. Our NPS scores are higher than Snoop Dogg on a Sunday night.

You'll leave feeling inspired, rejuvenated, and ready to take on the world!

We'd love to stay in touch!
Whether you have questions or just want to
share your thoughts & challenges, don't
hesitate to reach out!
