The Keys is an all-in-one Leisure Centre and re-imagined vintage bowling alley. Enjoy The Key's sprawling beer garden, lanes and nostalgic gaming arcade.

This isn't the bowling alley from your 10th birthday party.

Step inside this historic 110-year-old refurbished warehouse and you'll find original exposed timber beams and vintage glass panelling, blended with modern touches to create an intimate and friendly vibe.

The Keys was built over two years, utilising the lost art of timber lane installation – sourcing many historic pieces from around Melbourne. It highlights columns and awnings from the demolished Spencer Street train station and timber from the Gellibrand Wharf in Williamstown.

Each of the twelve automatic bowling lanes features reclaimed maple hardwood and state-of-the-art machinery, creating the ultimate bowling experience while keeping the nostalgia alive.

The Keys was recently voted as having the best bowling alley interior design in the world.
