

INTERLUNAR

Dashboard Handbook

Welcome to your INTERLUNAR Dashboard!

Your personal hub to view service activity, track credits, and manage your plan. Everything updates in real time and is organised in one place, so you never have to navigate across multiple pages.

Dashboard Overview

When you log in, you'll arrive on a single-page dashboard with a simple left navigation menu:

Dashboard – Takes you back to the full dashboard page at any time.

Overview – Scrolls you to the top section of the dashboard where you'll find:

Your Credit Summary

- **Credit Balance:** total credits remaining
- **Monthly Top-Up:** credits you receive each billing cycle
- **Plan Tier:** your current membership level
- **Next Renewal Date:** when your membership renews
- **Days Remaining:** countdown to your next cycle

You'll also see buttons to Top Up Credits or Upgrade Your Plan, which link you to a booking page with David if you want to make changes. You're still welcome to text him if that's easier.

Your Credit History

A detailed list of all activities, including:

- **The type of service**
- **A short description**
- **The date**
- **How many credits were used or added**
- **Colour-coded indicators** (green = added, red = used)

This section **updates in real time** as our team logs completed work or top-ups.

Plan Tiers – Scrolls you to the Plan Tiers section, showing you all available plans directly inside your dashboard. If you'd like to switch plans, simply click the Upgrade Plan button or reach out via WhatsApp.

Logging Out – Click Log Out at the bottom of the left-side navigation. You'll be taken back to the Interlunar main landing page.
