

About the Transition Expo

The Transition Expo is a free community event.

Many organisations will be there to help disabled young people and their whānau.

You can learn about life after school.

This includes further study, getting a job and taking part in your community.

We will send more information to schools later this year.

Please save the date.

Friday 5 March 2027

10am to 3pm

The Expo is on the Friday before Taranaki Anniversary Day.

Some schools may have a teacher-only day.

Please tell us if your school will be closed that day.

Please share this information with other people and organisations.

They may also want to be part of the Transition Expo.
