CALL FOR BIDS

THE UTILITY BOARD OF THE CITY OF KEY WEST, FLORIDA, operator of Keys Energy Services (KEYS), hereby gives notice to prospective bidders that sealed proposals will be received by **KEYS** electronically until **10:00 a.m. on Friday, October 23, 2026** for:

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

KEYS has instituted VendorLink and DemandStar systems to provide current information to potential bidders. These systems will allow you to receive bid information quickly and at your convenience 24 hours a day, 7 days a week. Specifications may be obtained from their websites at www.myvendorlink.com or www.DemandStar.com. Registered vendors will be notified automatically of all Requests for Proposals. You may also visit www.KeysEnergy.com for links and download information for all KEYS bid specifications.

It shall be the sole responsibility of each bidder to have their bid electronically delivered on or before the time for opening proposals last announced to bidders. Emailed proposals will not be accepted. Should a vendor not be able to submit via VendorLink or DemandStar, paper submittals will be accepted. Paper submittals must be received prior to the opening date and time in order to be considered. Paper submittals, if applicable, are to be delivered via FedEx, UPS, or in-person to:

Keys Energy Services
Bid Opening Committee – KEYS Bid 22-26
6900 Front Street Extended
Key West, FL 33040

Note: This address does not receive US Postal Service.

Any proposal received after the time last announced for opening proposals may be retained by KEYS or returned to the bidder, but such proposal may be rejected as not responsive.

Vendors with questions pertaining to this bid specification must submit them in writing via email to purchasing@keysenergy.com no later than **Friday, October 9, 2026 at noon**. Any questions received after noon on October 9, 2026 will not be addressed.

Each proposal should be accompanied by a Certified Check or Bid Bond payable to the **UTILITY BOARD OF THE CITY OF KEY WEST** in an amount not less than five (5%) percent of the amount of the proposal as security.

Each proposal should constitute an offer to **KEYS**, as outlined therein, and should be irrevocable after the time announced for the opening thereof.

At a meeting of the **BID OPENING COMMITTEE** to be held virtually on **Friday, October 23, 2026 at 10:00 a.m.** Proposals will be opened and vendor names will be publicly read aloud.

KEYS reserves the right to reject any or all proposals, to waive irregularities and informalities in any or all proposals, and to separately accept or reject any item, items, bid schedule or bid schedules of the proposal which KEYS deems to be in the best interest of the Utility Board.

Tyler Randolph, Purchasing Supervisor

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

GENERAL

Keys Energy Services (KEYS) is a municipal electric utility supplying power to residents of the lower Florida Keys. KEYS is located in the extreme southern tip of peninsular Florida, situated in Monroe County, Florida, primarily what is considered the "Lower Keys", which extends eastwardly from Key West to the west end of the Seven-Mile Bridge. Corporate Offices are located at 1001 James Street, Key West, Florida and the Transmission and Distribution (T&D) Facility is located on Stock Island at 6900 Front Street Extended, Key West, Florida 33040.

KEYS and its representatives have exercised due care in preparing this Request for Proposals (RFP). All information contained herein is believed to be substantially correct. However, bidders should verify information independently if desired. KEYS and its representatives do not warrant the accuracy of information contained herein.

SCOPE

KEYS is seeking proposals from qualified and experienced electrical distribution contractors to perform pole installation and associated electrical distribution work as described in these specifications and the reference documents. KEYS anticipates awarding this bid in December 2026. KEYS expects project completion by December 31, 2028.

- The project consists of the installation of approximately 151 distribution poles throughout KEYS' 13.8 kV distribution system. **KEYS will furnish the poles and distribution line material.** KEYS estimates that approximately 145 customer service drops will require relocation following construction of the new facilities. Details on locations and project requirements are within the attached documents. Work is anticipated to occur during 2027 and 2028. KEYS will allow 2-4 crews to work on this project at one time. KEYS poles are designed to meet extreme wind loading as specified in the NESC. As such the poles are to be embedded at 7 feet + 10% of pole height. Pole holes are to be back filled with crushed rock.

KEYS is seeking proposals from experienced contractors to construct new front-street primary facilities using ductile iron poles on an energized 13,800-volt (phase-to-phase) distribution system. The scope includes removing customer service drops from rear easements, installing new secondary service drops, and transferring ("swinging") service drops to new facilities within front-street rights-of-way (ROW), where customer facilities allow. All work, including pole replacement and installation, will be performed on or near energized primary lines.

The Contractor shall provide qualified independent crews to perform work throughout KEYS' service territory. Each crew is anticipated to consist of approximately three (3) personnel, with at least one crew member possessing the required Maintenance of Traffic (MOT) certification. Because the work will be priced on a fixed price-per-pole basis, the Contractor shall determine the appropriate crew composition and means and methods necessary to safely and efficiently perform the work. In addition to onsite crews and foremen, a project manager shall be assigned. The project manager shall be responsible for the overall quality and schedule. The project manager shall provide weekly progress updates to schedule, work projections for upcoming weeks, schedule milestones and goals.

PRICING

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

Proposers shall provide a fixed price per pole installation for each pole identified on the attached pricing schedule. The proposed pricing shall include all labor, supervision, equipment, transportation, overhead, and other costs necessary to perform the work, except for materials specifically identified as being furnished by KEYS.

BASIS OF AWARD

Proposals will be evaluated in accordance with the evaluation criteria established in the RFP. KEYS intends to award the contract to the responsive and responsible Proposer whose proposal is determined to provide the best overall value to KEYS, considering qualifications, experience, project approach, ability to meet the required schedule, safety record, pricing, and any other criteria identified in the RFP. KEYS reserves the right to negotiate with the highest-ranked Proposer and to make an award in the best interest of KEYS.

WORK EXPERIENCE

Proposers shall provide a list of similar projects completed within the past five (5) years, including project description, customer/utility name, contact person, contact information and any other information demonstrating experience with projects of similar size, scope, and complexity.

Proposer shall also provide the firm's safety history.

MATERIALS

KEYS will furnish the **poles and all line materials** required for the completion of this project.

The Contractor shall furnish all labor, supervision, equipment, tools, transportation, consumables, and incidental materials necessary to complete the work unless otherwise expressly stated.

POLES

KEYS will separately contract with a pole supplier for the manufacture of the ductile iron poles required for this project. Poles will be delivered in accordance with an established release schedule. Each delivery is anticipated to consist of approximately thirty (30) poles.

POLE DELIVERY

The awarded Contractor shall provide KEYS and the pole manufacture with a two-week look-ahead delivery schedule each Friday identifying the poles anticipated to be required during the following fourteen) calendar days.

The Contractor shall also maintain an eight-week look ahead sequence schedule identifying anticipated future pole requirements. The purpose of the look-ahead schedule is to assist KEYS and the pole manufacturer with fabrication, sequencing, and delivery planning.

Successful pole delivery will require ongoing coordination among KEYS, the Contractor, and the pole manufacture. The Contractor shall be responsible for timely communication and coordination regarding anticipated pole requirements and delivery needs.

Subject to availability and prior approval by KEYS, The Contractor may be permitted to store poles at a KEYS-designated site. The contractor shall be responsible for unloading and handling the poles at its own expense.

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

INITIAL STOCK OF POLES

Prior to mobilization, KEYS' Project Manager and awarded Contractor shall develop an initial inventory requirement to support approximately six (6) to eight (8) weeks of anticipated work. The Contractor shall provide the sequencing and scheduling information necessary for KEYS to coordinate fabrication and delivery with the pole manufacturer and to make the poles available for shipment in advance of anticipated need.

All poles installed under this Contract will be ductile iron poles with anticipated weights ranging from approximately 1,000 lbs. to 3,500 pounds.

EQUIPMENT

The following equipment list is provided as a general indication of the equipment anticipated to perform the work and is not intended to prescribe the Contractor's exact crew composition or means and methods. It is the contractor's sole responsibility for providing sufficient qualified personnel, equipment, tools, and resources necessary to safely perform the work in accordance with the Contract documents, applicable utility standards & safety requirements.

- One (1) pick-up truck
- Two (2) 55' min. (working height) bucket trucks with material handlers
- One (1) auger truck/boom
- One (1) pole trailer
- Hand tools: Anderson tools, concrete saw for sidewalks, pole gin, capstan hoist, blocks, digital voltmeter, load buster, generator, tamp, anchor buster, rotation meter, phasing stick, transformer dolly, spoon & spade - dead man Pole number tools for installation
- Required Safety and Traffic Control Equipment as required by FDOT for maintenance of traffic (MOT).
- Basic tree trimming equipment (chainsaw, pole saw, bow saw)
- Required equipment to install primary conductor
- Jackhammer or other tools to sawcut sidewalks for pole installs
- Equipment for installing Manta-Ray and standard anchors/guys

The Contractor shall provide a general supervisor/foreman on site at all times while work is being performed to oversee the two (2) to four (4) crews, coordinate customer related issues, and assist with system and project planning. All cost shall be included in your proposed pole pricing.

The Contractor shall provide equipment capable of safely performing, at minimum, the following:

- Transportation of ductile iron poles weighing up to 3,500 lbs.
- Associated pole framing material
- Lifting transformers
- Hand digging holes for poles (when applicable per scope)
- Pulling conductor
- Remove old "stub poles"

NOTE: KEYS is a customer service-oriented utility. The Contractor shall provide a working supervisor/foreman who is fluent in English and able to communicate professionally with the public, co-workers, KEYS personnel and other project stakeholders in a professional manner at

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

all times. The supervisor/foreman shall assist in coordinating work, obtaining underground utility clearances, scheduling outages, and coordinating pole requirements and deliveries.

TECHNICAL SPECIFICATIONS

The contractor shall be required to set ductile iron poles as required by the Contract Documents. Proposers are advised that some of these poles may be in areas with limited vehicle access.

- The contractor shall be responsible for re-obtaining and coordinating all required pole-setting clearances with other underground utilities through the State of Florida's "one call system" (811), and for maintaining such clearances throughout the work.
- The contractor shall be responsible for transferring KEYS facilities including transformers, customer overhead secondary's, streetlights, switches, capacitor banks, etc. from existing poles to new poles set by the Contractor, and for topping existing poles to just above other communication utilities. The Contractor will not be responsible for transferring communication facilities; however, the Contractor will be responsible for the transfer of KEYS' fiber lines as stated on the work scope spreadsheet. Applicable communication companies are responsible for transferring their facilities.
- The Contractor will be responsible for the installation of new KEYS pole identification numbers from existing poles to new poles when applicable, this labor cost shall be included in the pole cost (KEYS will provide material).
- The Contractor shall also include in pole price the installation of grounding/guys/anchors as stated on the spreadsheet that details the work scope.
- The Contractor is required to have their own truck to truck radio communication. Only one (1) KEYS radio will be provided by KEYS to each crew to communicate with KEYS' Control Center. KEYS will provide up to four radios for up to four crews. If the Contractor has more than four crews, the contractor will be responsible for the cost to purchase additional radios. The Contractor shall return KEYS radios in good working order at the end of this contract. The Contractor is responsible for the cost of repair or replacement of any radios lost or damaged. The Contractor must conform to KEYS radio procedures for work crews being in service, out of service, crew work locations, and Single-Shot Reclosing one-time call-ins.
- The Contractor may be required to saw cut sidewalks into a square for installation of new poles and patch with concrete around the new pole. The cost for pole locations that require cut and concrete patching shall be included in the Contractor's price for that pole. Contractor must maintain ADA clearances when possible, in existing sidewalks (exact locations are on the attached spreadsheet provided in the reference document link). All sidewalk repairs shall be done within 10 calendar days after a pole has been installed. Sidewalk repairs shall be done in a quality fashion. Contractor is responsible for all clean up each day of backfill or concrete materials.
- If work is not completed on a specific pole or area at the end of the day, the area shall be made safe prior to crew departure for the day.
- The Contractor shall conduct and document daily safety tailgate meetings with work crews and submit electronically to KEYS' Safety Officer at the end of each week.
- KEYS reserves the right to install an AVL system (vehicle tracking) in the Contractor's work trucks at its discretion, at KEYS' expense.
- The Contractor must notify KEYS customers 24 hours prior to any interruption of electric service that takes place because of the Contractor's work. Additionally, the Contractor

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

will attempt to notify the customer for any work performed in the easements and advise them that they will be working in the rear easement behind the customer's home.

- The Contractor may be required to remove existing wood stub poles and transport them to a local disposal site at the direction of KEYS. The cost for disposal of stub poles will be the responsibility of KEYS. The stub poles are approximately 25 feet in height.
- When new holes are drilled, excess soil shall be removed from site and disposed of. It should not be piled up on site, or spread on the ground. In general, the area around the installed poles shall be returned to as found conditions as much as practical.
- The Contractor will be responsible for requesting in advance that a distribution feeder recloser position be changed (request feeder on non-reclose). Contractor will be trained on these procedures.
- Awarded Contractor shall have a Florida MOT (maintenance of traffic) certification and follow all City of Key West and Monroe County MOT requirements. This includes that at least one person per crew shall have MOT certification. Contractor will be required to submit any "lane closure request" to the City of Key West per their policy one week in advance. Contractor shall have all FDOT cones and signs.
- KEYS will provide a dumpster and KEYS to pay for all disposal cost of any discarded old material.
- Subject to availability, KEYS may provide a secured and/or locked "storage yard" for the contractor's bucket truck(s) and trailer vehicles (within our service territory), most likely in the Lower Keys area. KEYS will not be responsible for any loss, damage or stolen property stored in the secured locations provided.
- Contractor's supervisor/foreman shall be responsible for completing an "inspection form" after each pole completion. The form shall be submitted with all invoices, a sample of this form is provided in the link below.
- The Contractor's personnel shall wear suitable work uniforms as defined by OSHA, and thoroughly follow KEYS' Safety Policy and current revision of the APPA Safety Manual (hard hats, flame retardant shirts, rubber sleeves, bucket harnesses, etc.) as indicated. Policy is applicable for all work being conducted in an energized work environment. Employees shall also be as clean and in as good appearance as the job conditions permit.
- Underground (UG) Cable & Risers: Keys Energy Services (KEYS) crews will handle the transfer of all primary and secondary underground cables, as well as associated risers. The Contractor's scope for UG Fuse transfers is limited to relocating the physical fuses to the new pole.
- Contractor shall not transfer any communication drops (including simple single-telephone drops). KEYS is not authorized to manipulate communication infrastructure.
 - Contractor shall work with KEYS to maintain and provide a look-ahead schedule to third-party communication providers to facilitate timely transfers and pole releases.
- No automatic splices are permitted on this project under any circumstances.
- Contractor work hours and days are strictly governed by local jurisdiction regulations (City of Key West and Monroe County standard working hours) in addition to the project's predetermined black-out dates.

LICENSING AND PERMITS

The Contractor shall obtain and maintain at its own expense, all appropriate licenses, permits, certifications, approvals, and authorizations required to perform the work in accordance with

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

applicable local, state, and federal requirements. This shall include any required arrangements for access to the Sigsbee Naval Base in Key West, Florida. The Contractor shall be responsible to review, understand, and comply with all applicable access and permitting requirements.

All Contractor personnel are required to have a valid driver's license. In addition, Personnel performing Maintenance of Traffic (MOT) activities shall possess the appropriate Florida MOT Certification for the work being performed.

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

PUBLIC ENTITY CRIME CLAUSE

Any person submitting a bid or proposal in response to this invitation must execute the enclosed form **FOR 094, SWORN STATEMENT UNDER SECTION 287.133 (3) (a), FLORIDA STATUTES ON PUBLIC ENTITY CRIMES**, including proper check(s), in the space(s) provided, and enclose it with his bid proposal. If you are submitting as bid or proposal on behalf of dealers or suppliers who will ship commodities and receive payment from the resulting contract, it is your responsibility to see that copies of the form are executed by them and are included with your bid or proposal. Corrections to the form will not be allowed after the bid or proposal opening time and date. Failure to complete this form may result in immediate disqualification of your bid or proposal.

QUALITY ASSURANCE PROVISIONS

A system of test and inspection shall be used to insure receipt of the quality and quantity of material(s)/service(s) purchased. Material(s)/service(s) will be promptly inspected and any discrepancies from the purchase order and/or the supplier's invoice shall be reported immediately.

RELEASE OF LIENS

Contractor is to furnish a release of liens for sub-contractual materials and labor prior to each payment. In addition, contractor is to furnish the standard form of "Statement Concerning Claims."

REJECTION

The Utility Board reserves the right to reject any or all proposals, to waive irregularities and informalities in any or all proposals, and to separately accept or reject any item, items, bid schedule or bid schedules of the proposal which the Utility Board deems to be in the best interest of the Utility Board.

RETAINAGE

A 5% retainage fee will be applied to all payment requests.

SAFETY/MAINTENANCE OF TRAFFIC (MOT)

Contractor is to provide all required Safety and Traffic Control equipment as required by FDOT, City of Key West, or Monroe County MOT. Personnel are required to be trained in MOT as required. Contractor is to provide copies of certification of MOT training.

SAFETY AND PROTECTION

Examination of existing facilities: After the Contract is awarded and before commencement of the work, Contractor and KEYS shall make thorough examination of all existing structures and facilities associated with the project.

Safety requirements: Contractor shall do whatever work is necessary for safety and be solely and completely responsible for conditions of the job site, including safety of all persons (including employees) and property during the project period. This requirement shall apply continuously and not be limited to normal working hours.

Safety provisions shall conform to Federal and State Departments of Labor, Occupational Safety and Health Act (OSHA), and other applicable Federal, State, County, and Local Laws, Ordinances, Codes, requirements set forth herein, and regulations that may be specified in other parts of these specifications. Where these are in conflict, the more stringent requirement shall be followed. Contractor shall become thoroughly familiar with governing safety provisions and shall comply with the obligations set forth therein.

Contractor shall develop and maintain for the duration of the project, a safety program that will effectively incorporate and implement required safety provisions of the American Public Power Association (APPA) Safety Manual. Contractor is responsible for obtaining the latest edition of the APPA Safety Manual at their expense from APPA at <http://www.publicpower.org/topics/landing.cfm?ItemNumber=38512>. Contractor shall appoint a qualified employee who is authorized to supervise and enforce compliance with the APPA safety Manual. It is not the responsibility of KEYS to review or police contractor's implementation of the APPA Safety Manual's protocols.

SCOPE OF WORK

While KEYS has tried to anticipate all Work required under and during the term of this contract, the parties understand and agree that the Work required herein may require without notice to contractor, the performance of Extra Work or the omission of Work previously required. KEYS may at any time and without notice to contractor, require changes in the scope of Work under this contract as KEYS may find necessary or desirable. Such changes may include the omission of Work previously required.

- A. KEYS shall notify contractor of the change in scope work via Change Order, which shall become part of the Contract Documents. If a Change Order directs Contractor to omit Work, contractor shall refrain from performing it.
- B. Contractor shall perform Extra Work only pursuant to the issuance by KEYS of Change Order. Records of any Extra Work performed by contractor shall be reviewed daily by contractor and KEYS, duplicate copies of accepted records made and signed by both contractor or his representative and KEYS, and one (1) copy retained by each.

SECURITY/BACKGROUND CHECK

KEYS may require successful bidders to supply a complete listing of all individuals that will perform work at the various sites. KEYS may run DMV and mandatory felony and misdemeanor background checks due to security reasons. The successful bidder must expressly agree to the right for KEYS to run the aforementioned checks.

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

KEYS reserve the right to perform background checks during the entire duration of the contractual agreement. Contractor will advise KEYS immediately of any employee staff changes before they are permitted on-site. Non-compliance of security/background check portion of the bid specifications will result in rejection of the proposal or termination of awarded contractual agreement.

SEVERABILITY

If any of these General Terms & Conditions is determined to be invalid, illegal or enforceable, the remaining provisions of these General Terms & Conditions remain in full force to the extent permitted by law.

SUBCONTRACTORS

Each Bidder shall list on the Proposal form the name of each construction subcontractor who will furnish in excess of 10% of the Project. Failure to do so shall entitle KEYS, at its option, to reject the bid.

SUBMISSION OF PROPOSAL

It is the sole responsibility of each Bidder to deliver its Proposal to KEYS at the place designated for receiving Proposals and prior to the time for opening Proposals last announced to Bidders. Any Proposal received after the time last announced for opening Proposals may be retained by KEYS or returned to the Bidder, but such Proposal shall be rejected as not responsive.

No proposal shall contain Personal Information, as defined in Section 501.171, Florida Statutes, unless specifically requested in the Specifications. In the event Personal Information is received, KEYS shall take appropriate precautions to prevent the release of such Personal Information. Notwithstanding the foregoing, to the extent allowed by applicable law, KEYS shall have no liability for the release to any third party of Personal Information included within any proposal.

SUPPLIER DIVERSITY

KEYS is committed to providing equal opportunities to Minority/Women Business Enterprises (M/WBEs) as well as all other Suppliers, Consultants, Contractors and Subcontractors who seek to do business with KEYS. KEYS attempts to ensure that qualified M/WBEs are made aware of, have an opportunity to bid on, and are considered on an equal basis with all other qualified bidders for the provision of supplies and services.

TAX

The prices of materials set forth herein shall not include state sales tax or local option tax. KEYS is generally exempt from state sales tax, (sales tax number 85-8012621609C-2), and local option tax. However; any purchases of materials for construction of new electrical transmission and distribution facilities are subject to state sales tax and local option tax.

TERMINATION OF CONTRACT FOR CONVENIENCE

When deemed to be in the best interest of KEYS, any awards or contracts resulting from this specification may be terminated by KEYS, in whole or in part, without cause by the delivery of thirty (30) days written notice. Upon receipt of the notice of termination Contractor shall, except as otherwise directed by KEYS: (1) stop work as specified in the notice; (2) place no further subcontracts or orders; (3) terminate all subcontracts to the extent they relate to the work terminated; (4) transfer title and deliver to KEYS all completed work and any completed or partially completed items which, if the contract had been completed, would be required to be transferred to KEYS; and (5) take reasonable actions as directed by KEYS to protect and preserve property in which KEYS has an interest. With regard to the portion of the award or contract so terminated, KEYS shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination, plus the reasonable costs of settlement of the work terminated including with limitation the performance of the above items, and expressly excluding the amount of any settlements made by Contractor with any subcontractors. Without waiver of any rights KEYS may have in law or at equity, KEYS and Contractor shall negotiate in good faith to reach a settlement with regard to damages incurred by KEYS as a result of the breach and any outstanding sums which may be owed to Contractor for work performed for which payment has not been received.

TERMINATION OF CONTRACT FOR CAUSE

In the event Contractor fails to perform any provision of the contract or award as specified herein, KEYS may terminate any award or contract resulting from this specification, in whole or in part, by the delivery of 10 days written notice of default. Upon receipt of the notice of termination Contractor shall, except as otherwise directed by KEYS: (1) stop work as specified in the notice; (2) place no further subcontracts or orders; (3) terminate all subcontracts to the extent they relate to the work terminated; (4) transfer title and deliver to KEYS all completed work and any completed or partially completed items which, if the contract had been completed, would be required to be transferred to KEYS; and (5) take reasonable actions as directed by KEYS to protect and preserve property in which KEYS has an interest. Without waiver of any rights KEYS may have in law or at equity, KEYS and Contractor shall negotiate in good faith to reach a settlement with regard to damages incurred by KEYS as a result of the breach and any outstanding sums which may be owed to Contractor for work performed for which payment has not been received.

WARRANTY

- A. Contractor warrants to KEYS that the Material and/ Equipment to be furnished under the Contract shall be designed and fit for the purpose specified when operated in accordance with contractor's specific operating instructions or, in the absence thereof, in accordance with generally accepted operating practices; free from defects in material, workmanship, and title; shall meet all specifications, including those relating to performance, contained or incorporated by reference in the Contract; and that the technical direction of installation on KEYS' premises when furnished by contractor shall be performed in a competent, diligent manner in accordance with generally accepted professional practices.
- B. The foregoing warranties, except as to title, shall apply to defects or deficiencies occurring within a period of **1** year from Final Acceptance provided the same is not unreasonably delayed by the KEYS or others. If, however, during the above **1** year warranty period the

KEYS BID 22-26 SPECIFICATIONS FOR SECONDARY EASEMENT POLE RELOCATIONS

Equipment is not available for operation due to a failure to meet such warranties, such time of unavailability shall not be counted as part of the warranty period. The condition of any field tests shall be mutually agreed upon, and Contractor shall be notified of and may be represented at all tests that may be made.

- C. If the equipment and materials furnished hereunder does not meet the warranties specified above when it has normal and proper use and maintenance, KEYS shall promptly notify contractor and make the Equipment available for correction. Contractor shall thereupon within a reasonable time correct all defects, including nonconformance with the Engineering Specifications, by either repairing or replacing any defective or damaged parts of the Equipment.
The cost of Labor, Materials and Equipment components directly associated with such repair or replacement of the Equipment, including removal, loading and unloading, transportation to and from the repair site and reinstallation, shall be borne by contractor.
- D. Any repaired or replacement part furnished under the foregoing warranty shall carry warranties on the same terms as set forth above for **1** year from the date of its Final Acceptance.
- E. Contractor shall obtain written warranties from its Subcontractors and suppliers of Materials, Labor and Equipment components where such warranties are obtainable and shall deliver the original warranties to KEYS.
- F. Neither the final payment, nor any other provision of the Contract, nor partial or entire use of the Material and Equipment by KEYS shall relieve contractor of liability with respect to the warranties referred to in the Contract or any other warranties, express or implied.

WITHDRAWAL OF PROPOSAL

Each Proposal shall constitute an offer to KEYS as outlined therein and shall be irrevocable after the time last announced for opening Proposals. Any Bidder may withdraw its Proposal by giving written notice to KEYS at the place such Proposals are to be received and at any time prior to the time last announced for opening Proposals. After the time last announced for opening Proposals and until execution of the Contract, no Bidder will be permitted to withdraw its Proposal for a period exceeding 120 days after the time last announced for opening Proposals.

- a. any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity.
 - b. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
6. Based on information and belief, the statement, which I have marked below, is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies):

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with the convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer, determined that is was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IN PARAGRAPH ONE (1) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDE IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.
