

MALDI-TOF KEIMIDENTIFIKATION

STRONG ROOTS, MODERN SOLUTIONS – SWISS ANALYTICS EXPERTISE SINCE 1930

SQTS (Swiss Quality Testing Services) is a leading Swiss testing institute with almost 100 years of experience and expertise. With our locations in Dietikon (Canton of Zurich) and St-Aubin (Canton of Fribourg) we offer comprehensive analytical and consulting services in food, food contact materials (FCM) and non-food sectors.

OUR ACCREDITATION according to ISO/IEC 17025 guarantees the highest reliability and quality. We conduct over 97% of our analyses in Switzerland. With an international network of partners and over 160 specialists, we are a trusted partner for companies that must comply with legal and their own standards.
