Why Choose This Product

A flexible multi-bay swing frame offering up to five swing stations side by side, ideal for busy public playgrounds and schools where demand is high. Seat type is fully configurable — standard flat seats, basket/toddler seats, or certified chair-style seats on chains or ropes — so one frame can serve multiple age groups.

- Constructed from galvanized steel profile, 70x70mm and 80x80mm, powder-coated for years of reliable outdoor use
- Certified to BS EN 1176-1+A1:2024 for public playground safety
