### Why Choose This Product

The Seal Climbing Frame is a low, flowing rope climber that suits inclusive, ground-level adventure. Children crawl, climb and balance the length of its netted body, making it accessible to a wide range of ages and abilities.

- Low, flowing form for inclusive ground-level play
- Crawl, climb and balance along the netted body
- Zinc-primed steel with steel-reinforced rope
- Certified to BS EN 1176-1+A1:2024
