Why Choose This Product

The Grasshopper Climbing Play Set makes a vivid, characterful centrepiece that gets children climbing, sliding and inventing games together. Rope-net legs, a tunnel body and a slide combine several kinds of play in one striking insect, while heavy-duty steel-and-HDPE construction stands up to years of public use.

- Rope-net climbing legs, tunnel body and slide in one structure
- Bold green character that anchors a themed play area
- Galvanised, powder-coated steel with coloured HDPE and steel-cored rope
- Certified to BS EN 1176-1:2017 for public playgrounds
