### Why Choose This Product

The Spider Web Climber wraps multi-directional rope webs and a spiralling tunnel slide around a dramatic spider. It challenges climbing, balance and spatial awareness, rewarding confident older children with routes to scale from every side.

- Multi-directional rope webs and a tunnel slide
- High challenge for confident older children
- Zinc-primed steel with LDPE tunnel slide
- Certified to BS EN 1176-1+A1:2024
