Dimension Drawing

Seated Carousel with Rails

Materials & Construction

Frame: S235JR steel tube and thick plate, galvanised and powder-coated with UV-stable polyester paint

Platform: 15 mm anti-slip HDPE or HPL, UV- and abrasion-resistant

Panels: 3-layer coloured HDPE, min. 12 mm, UV- and abrasion-resistant

Fixings: anti-corrosion treated bolts and connections

In accordance with BS EN 1176-1+A1:2024, this product requires impact-absorbing surfacing appropriate to its free-fall height.

The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown. Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.

Why Choose This Product

The Seated Carousel with Rails is a sociable sit-on roundabout with two curved bench seats, a central table and full grab rails, comfortably carrying a large group of up to nine.

- Two curved bench seats, central table and full grab rails for up to nine
- Enclosing rails make it reassuring for younger children
- Galvanised, powder-coated S235JR steel with three-layer coloured HDPE
- Certified to BS EN 1176-1+A1:2024 for public playground safety
