● DIMENSIONS
Ø1.24 m

● HEIGHT
0.7 m

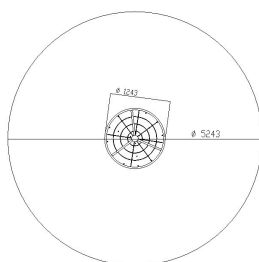

● SAFETY ZONE
Ø5.24 m

● FREE-FALL HEIGHT
0.2 m

Capacity: 5 users Recommended age: 3–12 years

Conforms to: **BS EN 1176-1:2017**

Dimension Drawing

Three-Arm Carousel

Materials & Construction

Frame: S235JR steel tube and thick plate, galvanised and powder-coated with UV-stable polyester paint

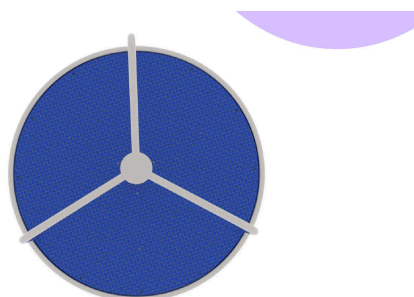

Platform: 15 mm anti-slip HDPE or HPL, UV- and abrasion-resistant

Fixings: anti-corrosion treated bolts and connections

In accordance with BS EN 1176-1:2017, this product requires impact-absorbing surfacing appropriate to its free-fall height.

The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown. Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.

Why Choose This Product

The Three-Arm Carousel is a simple, robust sit-and-spin roundabout: three arms radiate from a central grip pole above an anti-slip platform, so children sit, hold on and spin together.

- Stable three-arm sit-and-spin for up to five children
- Galvanised, powder-coated S235JR steel with UV-stable finish
- Choice of anti-slip HDPE or HPL platform
- Certified to BS EN 1176-1:2017 for public playground safety
