Why Choose This Product

The Rotating Balance Ring Carousel is a large spinning ring that children stand, sit or walk around as it turns — combining rotation with a balance challenge and inviting constant group movement.

- Large spinning ring combining rotation with a balance challenge
- Open ring form invites group play and constant movement
- Ø60.3 mm galvanised, powder-coated steel with anti-slip HDPE
- Certified to BS EN 1176-1:2017 for public playground safety
