Why Choose This Product

The Tarzan Ring Carousel suspends a grip from a rotating overhead ring on a bearing-mounted trolley, so a child can hang, run and swing in a wide circle — an exciting upper-body challenge.

- Bearing-mounted trolley runs a grip around an overhead ring
- Hot-dip galvanised, powder-coated steel for years of outdoor use
- Stainless-steel grip and chains with capped fixings
- Certified to BS EN 1176-1:2017 for public playground safety
