Why Choose This Product

The Three-Arm Tarzan Carousel hangs T-bar grips on chains from three rotating arms, so children grab, run and lift off as it spins — fast, physical play that builds grip strength, core stability and daring.

- Three chain-hung T-bar grips for fast, physical spinning play
- Arms formed as a single weld-free steel structure
- Stainless-steel grips and chains with capped, anti-corrosion fixings
- Certified to BS EN 1176-1:2017 for public playground safety
