## Why Choose This Product

Two long arms on a tall central mast let riders both rock up and down and rotate a full circle around the post. The combined motion delivers a thrilling, dynamic ride that older children return to again and again.

- Engineered from heavy galvanised, powder-coated steel tube with 12mm UV-resistant HDPE seats on ball and taper bearings
- Certified to BS EN 1176-1+A1:2024 for public playground safety
