Why Choose This Product

This inclusive unit pairs a wheelchair-height sandpit with tactile educational panels, a slide and a ramp-accessed platform, so children who use wheelchairs can dig, explore and play alongside their friends. GPS locator, Braille information plates and audible signalling are fitted as standard.

- Raised sandpit and reachable activity panels for wheelchair users
- Ramped access with generous, level deck space
- Certified to BS EN 1176-1:2017 for public playground safety
- GPS locator, Braille plates and audible signalling as standard
