### Why Choose This Product

The Multiplay Unit with Swing, Climbing Wall & Slide is a multiplay unit from EPX's steel-and-HDPE range that combines a play tower and slide with an integrated single-bay swing. Built for active group play, it suits primary schools, nurseries, parks and public playgrounds.

- Combines several activities in one space-saving footprint for busy schools and parks
- Galvanised, powder-coated steel with UV-stable HDPE and AISI 304 stainless detailing
- Certified to BS EN 1176-1:2017 for public playground safety
- Backed by 48-month warranty (10yr HDPE, 15yr structural)
