## Why Choose This Product

The Locomotive Crawl-Through Play Train brings classic steam-engine charm to the very youngest children. Its soft crawl-through tunnel and low, sturdy form encourage early crawling, balance and social play, making it a favourite first piece for nurseries and toddler play areas.

- Designed for ages 1-8, with capacity for up to 5 children
- Crawl-through tunnel builds confidence and gross-motor skills
- Galvanised steel frame with UV-stable colour HDPE for years of outdoor use
- Certified to BS EN 1176-1+A1:2024; 48-month warranty (10yr HDPE, 15yr structural)
