Acacia Rope Pyramid Climber

Materials & Construction

Mast: natural robinia acacia timber

Ropes: 16mm PP rope with galvanised steel core

Connectors: aluminium clamps and high-grade plastic junctions

Chains: galvanised calibrated technical chains; heat-shrink tensioners

Fixings: anti-corrosion, plastic-capped bolts

Warranty: 48 months whole unit / 10yr HDPE / 15yr structural

In accordance with BS EN 1176-1:2017, this product requires impact-absorbing surfacing appropriate to its free-fall height.

The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown. Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.

Why Choose This Product

The Acacia Rope Pyramid Climber draws children up a steel-cored rope web on a natural robinia mast, rewarding balance, problem-solving and upper-body strength. At 4 m it makes a standout centrepiece for busy public sites.

- Towering 4 m spatial rope pyramid for several climbers at once
- Natural robinia acacia mast with steel-cored PP rope netting
- Certified to BS EN 1176-1:2017 for public playground safety
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
