Why Choose This Product

The Robinia Seesaw is a natural-timber balance beam for cooperative play, with saddle seats and handgrips that let children rock and balance together. Built from durable robinia hardwood with stainless and powder-coated metalwork, it's a hard-wearing, low-maintenance choice that looks at home in natural play areas.

- Cooperative balance play that builds rhythm, turn-taking and core strength
- Naturally durable robinia (false acacia) timber, low maintenance outdoors
- Certified to BS EN 1176-1:2017 for public playground safety
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
