Why Choose This Product

The Cloverleaf Multiplay Unit packs climbing, sliding and clambering into one freestanding steel-and-HDPE frame, with a stainless slide, rope bridges and climbing holds that keep primary-age children moving. Engineered for years of public use, it builds balance, upper-body strength and social play in a compact footprint.

- Climbing, sliding and clambering in one compact multiplay frame
- Galvanised, powder-coated steel with UV-stable HDPE and an AISI 304 slide
- Certified to BS EN 1176-1:2017 for public playground safety
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
