Why Choose This Product

The Slide Kingdom Multiplay Tower is a sprawling slide-led play centre, linking towers with a stainless-steel slide, an LDPE tunnel slide, rope bridges, climbing walls and crawl tunnels across a 9.1 x 6.1 m footprint. It keeps large groups of primary-age children moving through climbing, sliding and clambering, and anchors a playground as a flagship centrepiece.

- A flagship multiplay centre linking towers, slides, tunnels and climbing routes
- Galvanised, powder-coated steel with AISI 304 and LDPE slides and UV-stable HDPE
- Certified to BS EN 1176-1+A1:2024 for public playground safety
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
