Robinia Multiplay Unit

Materials & Construction

Structure: natural robinia (false acacia) wood

Metalwork: various stainless steel profiles & pipes

Ropes: 16mm PP rope steel core; aluminium & plastic joints

Panels: coloured HDPE sheets

Chains: calibrated stainless steel chains

Fixings: plastic-capped screws where required

Warranty: 48 months unit / 10yr HDPE / 15yr structural

In accordance with BS EN 1176-1+A1:2024, this product requires impact-absorbing surfacing appropriate to its free-fall height.

The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown. Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.

Why Choose This Product

The Robinia Multiplay Unit packs monkey bars, a climbing net and hanging timber weights into a compact robinia frame, targeting grip, upper-body strength and coordination. Its small footprint makes it an easy addition to trim trails and outdoor fitness areas.

- Compact agility frame: monkey bars, climbing net and hanging weights
- Naturally durable robinia (false acacia) timber with stainless steel and steel-cored rope
- Certified to BS EN 1176-1+A1:2024 for public use
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
