Why Choose This Product

The Multi-Use Games Area is a fully enclosed, all-weather ball court that turns one footprint into a football pitch, basketball and netball court and general games space. Perimeter fencing, integrated goals, a basketball hoop and rebound walls keep play contained and continuous — a hard-wearing centrepiece for schools, parks, housing developments and community sports sites.

- One enclosed court for football, basketball, netball and team games
- Perimeter fencing with integrated goals, basketball hoop and rebound walls
- Powder-coated 70 x 70 mm steel with stainless-steel mesh-and-HDPE balustrades
- Certified to BS EN 15312:2007+A1:2010 for free-access multi-sports equipment
