## Why Choose This Product

The Large Multi-Station Street Workout Rig is the flagship of the range — a large-format calisthenics structure built for teenagers and adults training in groups. Multiple pull-up, dip and bar stations are linked along the frame, giving several users room to work push, pull, core and mobility movements at once.

- Large-format rig for group calisthenics training
- 80 x 80mm galvanised steel frame with hot-dip galvanised bars
- Certified to BS EN 1176-1:2017 for public playground equipment
- Backed by 48-month warranty (10yr HDPE, 15yr structural)
