Why Choose This Product

The Micro Street Workout Corner is the smallest unit in the range, fitting a compact set of bodyweight training bars into a small footprint — ideal for a tight school corner, a pocket park or as an add-on to an existing play or MUGA scheme.

- Smallest unit in the range — fits tight corners and pocket parks
- 80 x 80mm zinc-primed steel frame with stainless-steel tubes and aluminium connectors
- Certified to BS EN 1176-1+A1:2024 for public playground equipment
- Backed by 48-month warranty (10yr HDPE, 15yr structural)
