## Why Choose This Product

The classic school mud kitchen: a brick-print back wall with twin working taps and stainless steel sinks over a full-length worktop of hob rings and dials, with storage drawers and a lower shelf beneath. Several children can mix, wash and serve at once, making it a natural hub for cooperative messy play.

- Twin stainless steel sinks and taps over a full-length hob worktop
- Galvanised, powder-coated steel frame with UV-stable HDPE panels
- Certified to BS EN 1176-1:2017 for public playground safety
- Backed by a 48-month warranty (10yr HDPE, 15yr structural)
