Why Choose This Product

A large round in-ground trampoline offering a generous 1.3 m diameter jumping mat — one of the most popular sizes for busy public playgrounds and recreational parks. Flush-mounted for safe, barrier-free access from any direction, it provides an engaging, inclusive jumping experience. Galvanised steel construction with EPDM rubber surround for long-term durability.

- Large 1.3 m diameter jumping mat — great for busier playgrounds
- Flush-mounted design: no trip hazards, accessible from every direction
- Galvanised steel frame with recycled-rubber/EPDM impact-absorbing surround
- Jumping mat demountable with springs using the included dedicated tool
- Certified to BS EN 1176-1+A1:2024 for public playground safety
