Timber Animal Seesaw

TECHNICAL DATA SHEET

SKU: EPX-HW-008

Materials & Construction

Beam: softwood timber 90x90mm

Base: galvanised powder-coated steel

Handles: stainless steel

Detailing: 15mm HDPE

Buffers: choice of tyre or buffer stops

In accordance with BS EN 1176-1:2017, this product requires impact-absorbing surfacing appropriate to its free-fall height.

*The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown.
Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.*

Why Choose This Product

A classic single seesaw built on a solid softwood beam, with cheerful HDPE animal characters at each end to spark imaginative play. Grab handles and tyre buffers keep younger riders secure and comfortable.

- Constructed from structural softwood timber on a galvanised, powder-coated steel base with stainless handles
- Certified to BS EN 1176-1:2017 for public playground safety
