Why Choose This Product

A rectangular in-ground trampoline purpose-built for inclusive and integration play. The larger 1 x 2.04 m jumping mat accommodates wheelchair users and children with additional needs alongside their peers. Flush-mounted for safe, barrier-free access from all sides, it makes active jumping play genuinely accessible to everyone. Certified to BS EN 1176-1+A1:2024.

- Large 1 x 2.04 m mat — designed for inclusive and wheelchair-accessible play
- Flush-mounted: safe, barrier-free access from every side
- Galvanised steel frame with recycled-rubber/EPDM impact-absorbing surround
- 225 kg unit weight — robust, stable construction for heavy-duty public use
- Certified to BS EN 1176-1+A1:2024 for public playground safety
