Why Choose This Product

A compact square in-ground trampoline designed for public playgrounds where space is at a premium. Flush-mounted for safe, trip-free access from all sides, it provides an engaging jumping experience for children of all abilities. The steel profile frame and recycled-rubber surround are built to withstand years of heavy outdoor use.

- Compact 1.38 x 1.38 m footprint — ideal for smaller play areas
- Flush-mounted design: no trip hazards, accessible from every side
- Galvanised steel frame with recycled-rubber/EPDM impact-absorbing surround
- Certified to BS EN 1176-1+A1:2024 for public playground safety
- 48-month unit warranty, 10 years HDPE, 15 years structural
