*The equipment shown is a computer visualisation only; the actual product will look similar. Colours may vary from those shown.  
Construction materials can be tailored to the customer's requirements. Dimensional tolerance +/- 5cm.*

## Why Choose This Product

A warm, natural two-seater built on a glued-spruce beam, with stainless grab rings giving each rider a secure hold. Its timber construction blends softly into greener, more naturalistic play settings.

- Constructed from structural glued-spruce timber with stainless grab rings and colour HDPE detailing
- Certified to BS EN 1176-1:2017 for public playground safety
