Why Choose This Product

A popular square in-ground trampoline offering a generous 1 x 1 m jumping mat. Flush-mounted for safe, barrier-free access from all sides, it suits public playgrounds, school grounds and community parks. The galvanised steel frame and recycled-rubber surround are built for years of intensive outdoor use with minimal maintenance.

- 1 x 1 m jumping mat — space for energetic, active play
- Flush-mounted design: no trip hazards, accessible from every side
- Galvanised steel frame with recycled-rubber/EPDM impact-absorbing surround
- Jumping mat demountable with springs using the included dedicated tool
- Certified to BS EN 1176-1+A1:2024 for public playground safety
