Why Choose This Product

A central platform on springs sits between friendly HDPE animal panels, so toddlers and young children can bounce and rock safely while holding the moulded grips. Bright zoo characters make it an instant favourite in early-years areas.

- Constructed from 70x70 and 40x40mm galvanised, powder-coated steel with colour HDPE panels and 20mm springs
- Certified to BS EN 1176-1:2017 for public playground safety
