Why Choose This Product

A compact round in-ground trampoline designed for public playgrounds with limited space. The circular form fits neatly into any layout, and the flush-mounted installation means no trip hazards and access from every direction. The galvanised steel frame and recycled-rubber/EPDM surround are engineered for long-term, low-maintenance outdoor use.

- Compact Ø 1.44 m footprint — fits naturally into any playground layout
- Flush-mounted design: no trip hazards, accessible from every direction
- Galvanised steel frame with recycled-rubber/EPDM impact-absorbing surround
- Jumping mat demountable with springs using the included dedicated tool
- Certified to BS EN 1176-1+A1:2024 for public playground safety
