Why Choose This Product

Two generously sized rope nest seats share a single steel A-frame, letting friends swing side by side. The wide rope-net seats suit a broad age range and are a popular choice for inclusive and social play areas.

- Constructed from galvanised steel profile, 70x70mm and 80x80mm, powder-coated for years of reliable outdoor use
- Certified to BS EN 1176-1+A1:2024 for public playground safety
