Why Choose This Product

A three-bay commercial swing frame that serves the whole playground from one unit: toddler cradle and flat seats across two bays, with a supported inclusive seat in the third so children who need extra postural support can swing alongside their friends.

- Constructed from galvanised steel profile, 70x70mm and 80x80mm, powder-coated for years of reliable outdoor use
- Supported inclusive seat lets children of all abilities swing together
- Certified to BS EN 1176-1+A1:2024 for public playground safety
