Djembes Outdoor Drum Set

Materials & Construction

Drums: set of three goblet-shaped djembes in small, medium and large sizes

Construction: brushed stainless steel

Playing: played with the hands – varied tones across the drum head

Mounting: ground fix as standard; surface-fix version available

Sound level: approx. 65 dB under 3 m · 61 dB at 10 m · 51 dB at 50 m

Siting: avoid direct sunlight; confirm free space in the site risk assessment

This product is played from ground level and is not designed to be climbed, so impact-absorbing surfacing under BS EN 1177 is not required. Keep the recommended free space clear around the instrument.

The equipment shown is a representative image only; the actual product will look similar. Colours and finishes may vary from those shown. Dimensional tolerance +/- 5cm.

Why Choose This Product

This set of three outdoor djembes brings authentic hand drumming to parks, school grounds and public spaces. Each goblet-shaped drum gives a range of tones depending on where the head is struck, so beginners get an instant result while experienced drummers can explore more complex rhythms. Brushed stainless steel stands up to heavy public use, and the set encourages people of all ages and abilities to gather and play together.

- Three drums in small, medium and large sizes for varied tones
- Played by hand – instantly rewarding for beginners
- Brushed stainless steel built for high-use public spaces
- Ideal for group rhythm sessions and drum circles
