Small Babel Outdoor Tongue Drum

Materials & Construction

Drum: stainless steel tongue drum with six notes

Tuning: C major pentatonic (C4–C5)

Playing: played with the hands; Babel/Petal drum mallets available separately

Mounting: frame-mounted, ground fix as standard; surface-fix version available

Playing height: set between 70 and 98 cm at installation

Sound level: approx. 79 dB under 3 m · 59 dB at 10 m · 48 dB at 50 m

Siting: avoid direct sunlight; confirm free space in the site risk assessment

This product is played from ground level and is not designed to be climbed, so impact-absorbing surfacing under BS EN 1177 is not required. Keep the recommended free space clear around the instrument.

The equipment shown is a representative image only; the actual product will look similar. Colours and finishes may vary from those shown. Dimensional tolerance +/- 5cm.

Why Choose This Product

The Small Babel is the most compact stainless steel tongue drum in the range. Its six notes are tuned to a C major pentatonic scale, giving a warm, clear tone that is easy to play with the hands alone. Mounted on a sturdy frame for permanent outdoor use, it suits sensory gardens, inclusive playgrounds, care settings and quiet corners where music therapy and relaxation are the goal. Mallets can be added for players with limited grip or dexterity.

- Six-note pentatonic tongue drum – no wrong notes
- Playing height set at installation (70–98 cm) to suit your users
- Stainless steel construction for heavy-use outdoor settings
- Wheelchair accessible; mallets available for limited grip
