

Vertical Rope Tunnel Climber

Three-post 3D rope climbing net

Functions

- Climbing
- Crawling
- Pull-up and grip
- Upper-body strength
- Group play
- Spatial awareness

Technical Data

DIMENSIONS (L x W)

2.58 x 2.24 m

HEIGHT

2.23 m

SAFETY ZONE

5.58 x 5.42 m

FREE-FALL HEIGHT

2.00 m

Capacity: 10 users Recommended age: 4–14 years

Conforms to: BS EN 1176-1:2017+A1:2023

Safety Zone Plan

□ Safety zone — 23.3 m²

■ Equipment — 2.58 x 2.24 m

Plan view, simplified, not to scale.

Vertical Rope Tunnel Climber

Materials & Construction

Frame: 100 × 100 mm steel posts, hot-dip galvanised and powder-coated (or powder-galvanised and powder-coated)

Net: Three-dimensional rope climbing net

Platform: Weather-resistant HDPE

Chains: Calibrated stainless steel chains to prevent finger entrapment

Fixings: Stainless steel screws or screws under plastic caps; polypropylene end caps

Free-fall height is 2.00 m, so impact-absorbing surfacing is required across the impact area: EN 1177-tested synthetic surfacing rated to at least 2.00 m, or loose-fill bark, woodchip or sand at 300 mm depth. We'll recommend the right finish for your site.

How to Use

Climbing inside

Children crawl and climb up through the inside of the rope tunnel.

Benefits:

Builds strength, coordination and spatial awareness.

Climbing outside

Others climb the outside of the net from any of its three sides.

Benefits:

Builds grip and confidence.

Inspection & Maintenance

Routine visual check weekly (daily on busy or vandal-prone sites), an operational check every 1–3 months and a main inspection once a year. Check rope tension, connectors and fixings, and keep loose-fill surfacing topped up. Replace worn or damaged parts promptly with genuine spares. Morti Sport & Play offers annual inspection and maintenance for school and public sites.

Why Choose This Product

A three-dimensional rope climbing net on three angled steel posts. Children climb inside, through and around it, with room for 10 users in a 2.58 x 2.24 m footprint.

- Open from three sides, with clear sightlines for supervision
- Galvanised, powder-coated steel posts and HDPE platform
- Certified to BS EN 1176-1; ages 4–14
- Designed, supplied and installed by Morti Sport & Play's own teams
